

Alternative Fuel School Bus Incentive Program

**For Vendors of Alternative Fuel School Buses within the South
Coast Air Quality Management District**

Request for Qualifications

Q2012-10

March 2, 2012

SECTION 1 - INTRODUCTION

The MSRC is seeking qualified school bus vendors and/or authorized agents to participate in an Alternative Fuel School Bus Buy-down Incentive Program. The program is intended to replace older, diesel or gasoline school buses with new, original equipment manufacturer (OEM) dedicated natural gas, liquefied petroleum gas (LPG, i.e. propane), or advanced technology alternative fuel or gasoline hybrid electric school buses. The selected school bus vendor(s) will be able to offer a substantial vehicle price buy-down incentive to School Districts as a result of participation in this program. For the purpose of this program, allowable funding recipients include public school districts located within the jurisdiction of the South Coast AQMD, as well as pupil transportation companies.

NOTE: School bus vendors who are under Contract with the South Coast AQMD/MSRC as of January 1, 2012, and participating in the MSRC Alternative Fuel School Bus Program do not have to respond to this Request for Qualifications *unless*

- **The vendor is seeking to add a new alternative fuel school bus to their existing list of qualified school buses.**

SECTION 2 - PARTICIPATION GUIDELINES

The following guidelines, requirements, and conditions have been established and apply to all applicants:

1. **Available Funding** - The MSRC has allocated up to \$1,500,000 in MSRC Discretionary Funds for the Alternative Fuel School Bus Buy-down Program. The MSRC reserves the right to increase the amount of total funding available.
2. **Incentive Levels** – Vendors of alternative-fuel school buses that are deemed qualified to participate in the MSRC Program will be able to offer qualifying school districts the following incentives:
 - Full Size “Type D” CNG School Bus: \$45,000 per qualified bus;
 - Conventional Body LPG School Bus: \$25,000 per qualified bus;
 - Cutaway “Type A” CNG or LPG School Bus: \$15,000 per qualified bus;
 - Advanced Technology Gasoline Hybrid Electric School Bus: \$25,000 per qualified bus.
3. **Program Timeframe** - The Program will commence coincident with qualified vendor contract execution and end on December 31, 2012 or at such time that all MSRC incentive funds have been expended.
4. **Eligible Applicants** – The MSRC intends to select one or more school bus vendors to participate in the program. The minimum qualifications for participation include the following:
 - Contractor must be a manufacturer, authorized agent, dealer, etc. of school buses that meet the requirements of paragraph E., “Vehicle Requirements”, below;
 - Contractor must be licensed to do business within the State of California;

- Contractor must demonstrate financial stability and, as appropriate, sufficient manufacturing capability and capacity;
- Contractor must provide written documentation confirming that Contractor is in good standing with the State Franchise Tax Board;
- Contractor must provide documentation of past experience in marketing alternative-fuel school buses within the South Coast Air District jurisdiction;
- Contractor must offer post-sale customer support.

5. **Vehicle Requirements** - To qualify for MSRC alternative fuel school bus incentive funds, each vehicle must comply with the following requirements:

- Vehicle must be configured with a factory installed, OEM, dedicated natural gas or LPG engine, or alternative fuel or gasoline hybrid electric drive train;
- Engine or hybrid drive system must be certified by the California Air Resources Board;
- Bus must be certified for the transport of school children by the California Highway Patrol;
- Buses must offer a manufacturer's warranty.

In addition, eligible school buses must conform to all applicable standards, laws, and regulations in effect on the date of bus manufacture, including but not limited to:

- Federal Motor Vehicle Safety Standard (FMVSS, 49 CFR);
- Federal Highway Safety Program Guideline No. 17, Pupil Transportation Safety;
- DOT-Baseline Advanced Design Transit Coach Specifications;
- National Fire Protection Association (NFPA) Standard 52;
- State of California Vehicle Code, CCR Title 13 (with the exception of Sections 930 through 936 for CNG fuel systems already covered by NFPA Standard 52);
- CCR, Title 5, Education Division 13, Chapter 4, School Buses;
- California Air Resources Board.

6. **Roles & Responsibilities** - The following paragraphs outline the roles and responsibilities of each participant in the MSRC-sponsored Alternative Fuel School Bus Buy-down Program.

School Bus Vendor(s):

- Actively market the availability of alternative fuel school bus incentives offered by the MSRC to all school Districts located within the jurisdiction of the South Coast Air Quality Management District;
- At the point of sale or lease of a qualifying alternative fuel school bus to a qualified school district or school transportation provider, reduce the manufacturer's suggested retail price by the MSRC-approved buy-down increment. In the case of a bus lease, the capitalized cost of the bus should be reduced by the approved incentive amount. ***Please note that the entire MSRC-approved buy-down amount should flow to the vehicle purchaser or lessee; no administrative fee is to be retained by the bus vendor.***

- Upon school bus delivery, submit an invoice to the South Coast AQMD requesting reimbursement of buy-down incentives expended. The invoice must include the following information, at a minimum, for each school bus transacted:
 - Purchaser (school district or school transportation provider);
 - Documentation affirming that the bus will be operated primarily within the jurisdiction of the South Coast Air District;
 - Purchaser point of contact (name and telephone number);
 - Vehicle base price, options, total price, and final price including MSRC Buy-down Incentive;
 - Leasing Company (if applicable);
 - Bus make and model information;
 - Vehicle Identification Number (VIN);
 - Vehicle delivery date;
 - Dealership contact (name and telephone number).

This information will be used to verify the sale or lease of qualifying buses prior to the disbursement of MSRC incentive funds.

In addition, the school bus vendor should support the purchaser in removing from service the school bus being replaced. The requirement of the MSRC is that the older vehicle be scrapped.

MSRC/South Coast Air Quality Management District:

- Upon receipt of a valid invoice requesting reimbursement of buy-down incentives, MSRC/SCAQMD staff will process the invoice and authorize payment of MSRC Discretionary Funds to the bus vendor. The MSRC/SCAQMD normally provides reimbursement within 30 days of receipt of a complete and correct invoice.

School District/Pupil Transportation Service Provider:

- As a condition of receiving an alternative fuel bus at a reduced cost, the participating school district or transportation service provider will be required to sign a Participant Agreement. The Participant Agreement will require that the vehicle accrue at least 85% of its mileage within the geographical bounds of the SCAQMD and that the vehicle must be kept in service for at least five years from the date the vehicle enters service.
- If the bus is replacing an existing bus in the purchaser's fleet, the replaced vehicle must be scrapped, including destruction of the engine and cutting of the frame rails upon delivery of the new vehicle.

Additional Requirements:

- Buses receiving MSRC buy-down incentives must be used primarily to transport children to and from school. For the purpose of this solicitation, children include school grades kindergarten through high school;

- Only buses that will be used primarily within the geographical jurisdiction of the South Coast Air District are entitled to receive MSRC buy-down incentive funds.

SECTION 7- QUALIFICATIONS EVALUATION AND APPROVAL PROCESS

The following evaluation criteria form the basis upon which qualifications scoring and selection will be conducted. The maximum score available is 100 points. To be considered for qualified vendor status, a minimum score of 70 points is required. Please note that the MSRC retains sole authority as to the determination of vendor qualification.

1. SCHOOL BUS PRODUCT LINE/PRODUCT AVAILABILITY:

Maximum Points Available: 40 points

As discussed in RFP Section III, Subsections 4.A and 4.B, school bus manufacturers or vendors desiring to participate in the MSRC-sponsored program must describe the dedicated alternative fuel school bus product line offered for sale within the SCAQMD region. Also, the proposer should address product availability and delivery timetable issues. Based upon this information, the MSRC-TAC Evaluation Subcommittee will award points based upon the quality and availability of the proposer's product line, and viability of the proposer as a business entity.

2. EXPERIENCE AND PAST PERFORMANCE IN MARKETING, SELLING/LEASING, AND SUPPORTING ALTERNATIVE FUEL SCHOOL BUSES:

Maximum Points Available: 30 points

As described in RFP Section III, Subsection 4.C., proposers should discuss previous relevant experience in the marketing, outreach, sale, lease, and customer support of alternative fuel school buses within the SCAQMD region. Also, proposers should provide details of previous contracts with, or participation in, programs sponsored by the South Coast Air Quality Management District (SCAQMD), Mobile Source Air Pollution Reduction Review Committee (MSRC), or California Energy Commission/AB 35 School Bus Program. The MSRC-TAC Evaluation Subcommittee will award points based upon the proposer's documented experience and performance.

3. MARKETING AND OUTREACH PLAN:

Maximum Points Available: 30 points

As discussed in RFQ Section III, Subsection 4.D., all proposers are requested to include a *Marketing & Outreach Capabilities and Plans* discussion as an element of their proposal. The Plan should describe the approach for providing marketing and outreach in support of the MSRC's Alternative Fuel School Bus Incentive Program, especially as it relates to ensuring that all areas of the South Coast Air District are made aware of, and have equal access to, MSRC incentive funds. Following a comprehensive review of the Plan, the MSRC-TAC evaluators will assign a score based upon the innovativeness, thoroughness, and quality of the information provided.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

------------------	----------------------------	--------

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding,
- or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

• Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7 ²

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

²However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/online/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification
