

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE  
MSRC AGENDA  
Thursday, March 15, 2018 at 2:00 p.m.**

**LOCATION**

South Coast Air Quality Management District  
21865 Copley Drive, Conf. Room CC8, Diamond Bar, CA 91765

**TELECONFERENCE LOCATION**

Los Angeles County MTA (LA Metro) Headquarters, Henry Huntington Room, 3<sup>th</sup> Floor  
One Gateway Plaza, Los Angeles, CA 90012  
(Public may attend either of the above locations)

**MSRC Committee Members**

**MSRC Chair**

Greg Pettis  
Commissioner, RCTC  
Representing Riverside County Transportation  
Commission  
Alternate: Brian Berkson, Commissioner, RCTC

Jack Kitowski, CARB Staff  
Representing California Air Resources Board  
Alternate: Michael Carter, CARB Staff

Ben Benoit  
Member, SCAQMD Governing Board  
Representing South Coast Air Quality  
Management District

**MSRC Vice-Chair**

Larry McCallon  
Member, SBCTA Board of Directors  
Representing San Bernardino County  
Transportation Authority  
Alternate: Vacant

Vacant  
Representing Regional Rideshare Agency  
Alternate: Dolores Roybal Saltarelli, MTA Staff

Steve Veres, Member, LACCD Board of  
Trustees  
Representing Los Angeles County MTA  
Alternate: Mark Yamarone, MTA Staff

Greg Winterbottom  
Board of Directors, OCTA  
Representing Orange County Transportation  
Authority  
Alternate: Tim Shaw, Board of Directors, OCTA

Michele Martinez  
Member, SCAG Regional Council  
Representing Southern California Association of  
Governments  
Alternate: Rex Richardson, SCAG Reg. Council

**CALL TO ORDER**

Opening Comments: Greg Pettis, MSRC Chair  
Other MSRC Members  
Fred Minassian, Asst. DEO/Science & Technology Advancement

**STATUS REPORT**

Clean Transportation Policy Update **Hardison**  
The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at [www.cleantransportationfunding.org](http://www.cleantransportationfunding.org).

**CONSENT CALENDAR (Items 1 through 5)**

**Receive and Approve**

- 1. Minutes for the February 15, 2018 MSRC Meeting **Cedillo**  
Minutes to be distributed at the meeting.

**Information Only - Receive and File**

- 2. [MSRC Contracts Administrator's Report](#) **Ravenstein**  
**p. 1**  
This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 25 through February 21, 2018
- 3. [Financial Report on AB 2766 Discretionary Fund](#) **Kampa**  
**p. 31**  
Financial Report for February 2018.

**For Approval – As Recommended**

- 4. [Consider Three-Month Term Extension by County of Los Angeles, Department of Public Works, Contract #ML05014 \(\\$204,221 – Florence/Mills Avenue Signal Synchronization Project\)](#) **Ravenstein**  
**p. 32**  
The County requested a six-month term extension. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional three-month extension would fulfill the County's request. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

5. Consider Nine-Month Term Extension by City of Bellflower, Contract #ML12051 (\$100,000 – Install Electric Vehicle Charging Infrastructure)

Ravenstein  
p. 35

The City requested a one-year term extension as a result of delays associated with the prospective station vendor. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional nine-month extension would fulfill the City's request. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL FOR A 19-MONTH EXTENSION**

**ACTION CALENDAR (Items 6 through 9)**

6. Introduction to New MSRC Website  
[www.CleanTransportationFunding.org](http://www.CleanTransportationFunding.org)

The Better  
World Group

The Better World Group, the MSRC's Programmatic Outreach Coordinator, will present a brief overview of the recently revamped MSRC website.

**FYs 2016-18 WORK PROGRAM**

7. Consider Funding for Applications Received under the Natural Gas Infrastructure Program

Kato  
p. 38

As an element of their FYs 2016-18 Work Program, the MSRC allocated \$4 million to fund new and expanded CNG and LNG refueling stations, as well as modifications to vehicle maintenance facilities and technician training. A Program Announcement was released on June 2, 2017. The MSRC has previously funded applications totaling \$866,500. The MSRC has received one additional application from the Irvine Ranch Water District. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL OF A \$190,000 AWARD TO IRVINE RANCH WATER DISTRICT**

8. Consider Funding for Applications Received under the Local Government Partnership Program

Patchan  
p. 41

As an element of their FYs 2016-18 Work Program, the MSRC allocated \$21,180,650 for a funding partnership with cities and counties to jumpstart implementation of the SCAQMD's 2016 Air Quality Management Plan. A Program Opportunity Notice was released on September 1, 2017. Per the Program Opportunity Notice, each city and county within SCAQMD that participates in the AB 2766 Subvention Fund Program has a funding allocation reserved for its use. The primary eligible project categories focus upon zero- and near-zero-emission vehicles and their supporting infrastructure, with a few additional categories open to the smallest jurisdictions. The MSRC has previously funded applications totaling \$267,541. The MSRC has received nine additional applications, from the Cities of Grand Terrace, Diamond Bar, Anaheim, Arcadia, Duarte, Calabasas, Westlake Village, Indian Wells and Westminster. **EXCEPT FOR ABSTENTION BY MEMBER LAI, THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL OF EIGHT AWARDS TOTALING \$514,480, AS DESCRIBED IN THE ATTACHED STAFF REPORT**

9. Consider Alternative Approach to Implementing Hydrogen Infrastructure Element of FYs 2016-18 Work Program

Kato  
p. 43

The MSRC-TAC considered alternative approaches to the selection of hydrogen infrastructure projects. By issuing a Program Opportunity Notice, the MSRC can provide additional flexibility, retain its partnership with the California Energy Commission, and strengthen its partnership with SCAQMD. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS THAT THE MSRC RESCIND THE PREVIOUS \$3.0 MILLION AWARD TO THE CALIFORNIA ENERGY COMMISSION AND ISSUE A \$3.0 MILLION PROGRAM OPPORTUNITY NOTICE FOR HYDROGEN INFRASTRUCTURE PROJECTS.**

**OTHER BUSINESS**

- 10. *\*Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Govt. Code Section 54954.2)*

Pettis  
p. 48

**PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)**

*Members of the public may address this body concerning any agenda item before or during consideration of that item (Govt. Code Section 54954.3(a)). All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of a regular meeting. At the end of the regular meeting agenda, an opportunity is also provided for the public to speak on any subject within the MSRC’s authority. Speakers may be limited to three (3) minutes each.*

**ADJOURNMENT**

**NEXT MEETING: Date: April 19, 2018, 2:00 p.m., Room CC8**

***Americans with Disabilities Act***

*The agenda and documents in the agenda packet will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Govt. Code Section 54954.2(a)). Disability-related accommodations will also be made available to allow participation in the MSRC meeting. Any accommodations must be requested as soon as practicable. Requests will be accommodated to the extent feasible. Please contact Penny Shaw Cedillo at (909) 396-3179 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to pcedillo@aqmd.gov.*

***Pursuant to SB 343***

*All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available prior to the meeting for public review at the South Coast Air Quality Management District, Public Information Center, 21865 Copley Drive, Diamond Bar, CA 91765.*

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269  
Ray Gorski, MSRC Technical Advisor – (909) 396-2479  
Penny Shaw Cedillo, MSRC Administrative Liaison – (909) 396-3179

AGENDA ITEM #2

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 2

**DATE:** March 15, 2018

**FROM:** Cynthia Ravenstein

**SUBJECT:** AB 2766 Contracts Administrator's Report

**SYNOPSIS:** This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 25 to February 21, 2018.

**RECOMMENDATION:** Receive and file report

**WORK PROGRAM IMPACT:** None

**Contract Execution Status**

**2016-18 Work Program**

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are with the prospective contractor for signature or executed.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are with the SCAQMD Board Chair for signature or executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are undergoing internal review or with the prospective contractor for signature.

### **2014-16 Work Program**

On December 5, 2014, the SCAQMD Governing Board approved an award under the AB118 Enhanced Fleet Maintenance Program. This contract is executed.

On June 5, 2015, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award to provide low-emission transportation services to the Special Olympics World Games. These contracts are executed.

On September 4, 2015, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On October 2, 2015, the SCAQMD Governing Board approved 11 awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are executed.

On November 6, 2015, the SCAQMD Governing Board approved 37 awards under the Local Government Match Program. These contracts are with the prospective contractor for signature or executed. The City of South El Monte has now declined their award, reverting \$73,329 to the AB 2766 Discretionary Fund.

On December 4, 2015, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, one award under the Alternative Fuel Infrastructure Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On January 8, 2016, the SCAQMD Governing Board approved two awards under the Major Event Center Transportation Program, one award under the Local Government Match Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On March 4, 2016, the SCAQMD Governing Board approved two awards under the Alternative Fuel Infrastructure Program. These contracts are executed.

On April 1, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and five awards under the Transportation Control Measure Partnership Program. These contracts are executed.

On May 6, 2016, the SCAQMD Governing Board approved one award under the Major Event

Center Transportation Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On June 3, 2016, the SCAQMD Governing Board approved one award under the Alternative Fuel Infrastructure Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved ten awards under the Alternative Fuel Infrastructure Program and five awards under the Near-Zero Natural Gas Engine Incentives Program. These contracts are under development, with the prospective contractor for signature, or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program and an award under the Near-Zero Natural Gas Engine Incentives Program. These contracts are executed.

#### **Work Program Status**

Contract Status Reports for work program years with open (including “Open/Complete”) and/or pending contracts are attached.

#### ***FY 2004-05 Work Program Contracts***

One contract from this work program year is open.

#### ***FY 2004-05 Invoices Paid***

No invoices were paid during this period.

#### ***FY 2006-07 Work Program Contracts***

No contracts from this work program year are open; and one is in “Open/Complete” status.

#### ***FY 2006-07 Invoices Paid***

No invoices were paid during this period.

#### ***FY 2007-08 Work Program Contracts***

4 contracts from this work program year are open; and 3 are in “Open/Complete” status.

#### ***FY 2007-08 Invoices Paid***

No invoices were paid during this period.

#### ***FY 2008-09 Work Program Contracts***

2 contracts from this work program year are open; and 5 are in “Open/Complete” status.

#### ***FY 2008-09 Invoices Paid***

One invoice in the amount of \$325,000.00 was paid during this period.

#### ***FY 2010-11 Work Program Contracts***

6 contracts from this work program year are open; and 37 are in “Open/Complete” status. One contract moved into “Open/Complete” status during this period: County of Los Angeles, Department of Public Works, Contract #ML11024 – Purchase Three Heavy-Duty Natural Gas Vehicles.

*FY 2010-11 Invoices Paid*

No invoices were paid during this period.

***FY 2011-12 Work Program Contracts***

15 contracts from this work program year are open, and 33 are in “Open/Complete” status.

*FY 2011-12 Invoices Paid*

2 invoices totaling \$60,360.27 were paid during this period.

***FYs 2012-14 Work Program Contracts***

38 contracts from this work program year are open, and 23 are in “Open/Complete” status. One contract was cancelled during this period: American Honda Motor Company, Contract #MS14078 – Install New Public Access CNG Station.

*FYs 2012-14 Invoices Paid*

One invoice in the amount of \$450,000.00 was paid during this period.

***FYs 2014-16 Work Program Contracts***

77 contracts from this work program year are open, and 16 are in “Open/Complete” status. 2 contracts moved into “Open/Complete” status during this period: City of Palm Desert, Contract #ML16072 – Installation of EV Charging Infrastructure; and Transit Systems Unlimited, Contract #MS16088 – Expand Existing CNG Station. Two contracts closed during this period: City of Azusa, Contract #ML16028 – Enhance Existing Class 1 Bikeway; and Mineral LLC, Contract #MS16004 – Design, Develop, Host and Maintain MSRC Website.

*FYs 2014-16 Invoices Paid*

One invoice in the amount of \$290,000.00 was paid during this period.

***FYs 2016-18 Work Program Contracts***

8 contracts from this work program year are open.

*FYs 2016-18 Invoices Paid*

One invoice in the amount of \$373.00 was paid during this period.

***Administrative Scope Changes***

3 administrative scope changes were initiated during the period of January 25 through February 21, 2018:

- San Bernardino Associated Governments, Contract #MS16096 (EV Charging Infrastructure) – Increase number of ADA stations from two to six with no change to budget and change contractor name to San Bernardino County Transportation Authority
- City of Bellflower, Contract #ML12051 (EV Charging Infrastructure) – Three-month no-cost term extension to allow time for the MSRC to consider the remainder of the City’s request
- County of Los Angeles, Department of Public Works, Contract #ML05014 (Florence/Mills Avenue Signal Synchronization Project) – Three-month no-cost term extension to allow time for the MSRC to consider the remainder of the County’s request

AGENDA ITEM #4

Contract Modification Request by  
County of Los Angeles, Department of Public Works

MSRC Agenda Item No. 4

**DATE:** March 15, 2018

**FROM:** Cynthia Ravenstein

**SUBJECT:** Three-Month No-Cost Term Extension by County of Los Angeles, Department of Public Works, Contract #ML05014

**SYNOPSIS:** The County requested a six-month term extension as part of the FY 04-05 Local Government Match Program. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional three-month extension would fulfill the County's request.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC reviewed the request and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** County of Los Angeles, Department of Public Works

**Project Title:** Florence/Mills Avenue Signal Synchronization Project

**MSRC Funding:** \$204,221

**Project Term:** May 21, 2007 to March 20, 2018 (extension to June 20, 2018 in process)

**Current Request:** Three-month term extension

**Previous Requests:** Eliminate traffic signal upgrades within the City of Downey, synchronize two additional signals, and 24-month contract term extension; 3-year contract term extension; 43-month contract term extension; 2-year contract term extension

Project Description: The MSRC awarded the County of Los Angeles \$204,221, as part of the FY 2004-05 Local Government Match Program, to partner with the Cities of Downey and Santa Fe Springs to synchronize 24 traffic signals along an 8.5 mile segment of Florence Avenue/Mills Avenue. The project scope was subsequently modified, eliminating the signal upgrades within Downey from the contract and substituting the synchronization of two additional signals. No work has been completed and nothing has been paid to date on this contract.

Previous Requests: 1) The County requested a 43-month no-cost term extension. The MSRC approved this request at their October 2008 meeting. 2) In March 2012, the County requested

modifications to the project's scope as well as an additional 3-year contract term extension. Specifically, one of the project partners, the City of Downey, completed the traffic signal upgrades within their jurisdiction under a separate contract. Therefore, Downey would no longer be a contributing partner on this project. The County requested to eliminate the Downey signal upgrades from the contract and substitute the synchronization of two additional signals. The County also provided a revised total project budget of \$1,308,000, reflecting increases in material and design costs. This was worthy of note because the Signal Synchronization category of the MSRC's FY 2004 05 Local Government Match Program requires the partnership of at least two jurisdictions, each of which must contribute at least 5% of the total project cost. Since the City of Santa Fe Springs' contribution was not increasing, the change to the total project budget would result in this condition no longer being met. In considering the County's request at their May 2012 meeting, the MSRC approved an 18-month term extension only, based on the expectation that the County would be in a better position to know actual costs once they received responses to their own procurement. During this time the County should also be able to learn whether the City of Santa Fe Springs could increase their contribution to the extent necessary to meet the 5% requirement. 3) The County submitted a request for an 18-month contract term extension—the remainder of the 3 years they requested in 2012. In January 2014, the MSRC approved a 24-month extension, as well as the substitution of two additional signal synchronizations for the Downey upgrades. 4) The County indicated that they encountered further delays due to extensive design modifications for a few intersections because of utility conflicts, and requested a 2-year contract term extension. The MSRC approved the extension contingent upon receiving a progress report from the County demonstrating that the project was advertised for construction by September 30, 2016.

Contract Request: The County met the requirement to advertise the project for construction by the date specified. The County now indicates that the project was further delayed by a change order to install a fully protected left turn phasing at the intersection of Mills and Mulberry, to reduce vehicle-vehicle and vehicle-pedestrian interactions at the intersection. The County projects that construction will be completed by June 2018, and requested a six-month contract term extension. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional three-month extension would fulfill the County's request.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

Dear Ms. Alfaro:

**MOBILE SOURCE REDUCTION REVIEW COMMITTEE  
CONTRACT ML05014  
REQUEST FOR TERM EXTENSION**

Contract ML05014 (ML05014G) will expire on March 20, 2018. The project is currently under construction. Construction is projected to be completed by June 2018. To allow ample time for final acceptance of the project, we would like to request a 6-month extension until September 20, 2018.

Thank you for considering this request. If you have any questions, please contact Ms. Salynne Wong of the Traffic and Lighting Division, TRAFFIC Section, at (626) 300-4856.

Very truly yours,

MARK PESTRELLA  
Director of Public Works

AGENDA ITEM #5

Contract Modification Request by  
City of Bellflower

MSRC Agenda Item No. 5

**DATE:** March 15, 2018

**FROM:** Cynthia Ravenstein

**SUBJECT:** Nine-Month No-Cost Term Extension by City of Bellflower, Contract #ML12051

**SYNOPSIS:** The City requested a one-year term extension as part of the FY 11-12 Local Government Match Program as a result of delays associated with the prospective station vendor. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional nine-month extension would fulfill the City's request.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC considered the request. In order to minimize the potential for additional extensions, the MSRC-TAC recommends that the contract be extended to December 2019.

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** City of Bellflower

**Project Title:** Install Electric Vehicle Charging Infrastructure

**MSRC Funding:** \$100,000

**Project Term:** February 7, 2014 to May 6, 2018

**Current Request:** Nine-month term extension

**Previous Requests:** Scope and value reduction and one-year term extension; substitution of two fast chargers for eight Level II chargers, reduced contract value, and six-month extension

Project Description: The MSRC awarded the City \$270,000 to install fifteen Level II electric vehicle charging stations; this was subsequently modified to \$100,000 for two fast charge stations. No work has been completed and nothing has been paid to date on this contract.

Previous Requests: The City indicated that transfer of the project between departments delayed progress, and they requested a one-year contract term extension. Additionally, the City requested to reduce the number of charging stations to be installed from 15 to 8, with a

corresponding reduction in contract value from \$270,000 to \$170,000. The City also proposed to install the stations in a greater number of locations to heighten public awareness. The MSRC approved the entirety of the City's request. Later, the City indicated that they now believed fast chargers would be more popular, and experience a greater turnover, than the Level II charging stations specified by the contract. The City requested approval to substitute the installation of two fast chargers for the eight Level II chargers, coupled with a corresponding contract value reduction from \$170,000 to \$100,000, as well as a one-year term extension in order to complete the work.

Contract Request: The City indicates that delays associated with the prospective station vendor delayed the work. After further consideration, the City believes it would be preferable to install the stations in a new public parking structure that will be constructed this year. The City requested a one-year contract term extension to allow the stations to be installed when the structure is built. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional nine-month extension would fulfill the City's request.

Recommendations: The MSRC-TAC considered the request. Some members expressed concerns that the design and installation in this new location might take longer than the City anticipated. In order to minimize the potential for additional extensions, the MSRC-TAC recommends that the contract be extended to December 2019.

Leah Alfaro  
MSRC Contracts Administrator  
Mobile Source Air Pollution Reduction Review Committee  
21865 Copley Drive  
Diamond Bar, CA 91765

**Re: Contract #AB2766/ ML 12051 EV Charging Infrastructure**

Dear Ms. Alfaro:

Please accept this letter as the City of Bellflower's (City's) request to extend the MSRC contract's expiration date from February 6, 2018 to February 6, 2019. The reason for the request is due to delays the City experienced with the prospective EV charging station vendor. After further consideration, rather than installing the EV charging stations in an existing public parking lot, the City's intention is to install the proposed EV charging stations in a new public parking structure that will be constructed this year.

The parking structure will be located at the northwest corner of Mayne Street and Bellflower Boulevard. It will include approximately 45,000 sf of parking uses within a three-level public parking structure. The parking structure will include, but not be limited to, free public parking; approximately 320 public parking spaces; access to transit options such as carpooling, bus, bicycling, and rail travel; bus bays, bicycle parking spaces and bicycle racks; handicap accessibility; elevator and electronic parking space availability signage; wayfinding signage; and night and security lighting.

Currently, the City has released a Request for Qualifications, followed by a Request for Proposals for design/build proposals for the construction of the parking structure. We believe the proposed EV charging stations will be better suited in the new parking structure, as they will be used by more commuters at that location. Should you have any questions regarding this request, please do not hesitate to contact me at 562-804-1424, extension 2233 or at [biniguez@bellflower.org](mailto:biniguez@bellflower.org).

Sincerely,

AGENDA ITEM #6

Introduction to New MSRC Website

AGENDA ITEM #7

Consider Applications Received Under the  
Natural Gas Infrastructure Program

MSRC Agenda Item No. 7

**DATE:** March 15, 2018

**FROM:** John Kato, Chair, Infrastructure Subcommittee

**SUBJECT:** Consider Funding for Applications Received under the Natural Gas Infrastructure Program

**SYNOPSIS:** As an element of their FYs 2016-18 Work Program, the MSRC allocated \$4.0 million of **Clean Transportation Funding™** for the implementation of new and expanded CNG and LNG refueling stations, modification of maintenance facilities to accommodate gaseous-fueled vehicles, and technician training. A Program Announcement, #PA2017-07, was developed and released on June 2, 2017, with a final submission deadline of June 29, 2018. Projects are to be considered throughout the application submission period on a first-come, first-served basis.

The MSRC has previously awarded a total of \$866,500. An additional application has been received, requesting \$190,000. The MSRC-TAC Infrastructure Subcommittee has reviewed the application and recommended approval.

**RECOMMENDATION:** The MSRC-TAC considered, and recommends approval of, the application from Irvine Ranch Water District requesting \$190,000 in **Clean Transportation Funding™**.

**FISCAL IMPACT** **Clean Transportation Funding™** for the Alternative Fuel Infrastructure Program awards is an element of the MSRC's FYs 2016-18 Work Program. If the MSRC approves the recommended award, \$2,943,500 will remain available to meet geographical funding minimums.

---

**BACKGROUND:** As an element of their FYs 2016-18 Work Program, the MSRC allocated \$4.0 million of **Clean Transportation Funding™** for the implementation of new and expanded CNG and LNG refueling stations, modifications to maintenance facilities, and technician training. A Program Announcement, #PA2017-07, was developed and released on June 2, 2017. The Program Announcement set a final submission deadline of June 29, 2018. Projects are to be considered throughout the application submission period on a first-come, first-served basis.

The Program Announcement includes the following Requirements and Conditions:

- **Allowable Project Categories** – For the purpose of this solicitation, allowable alternative fuels include CNG, LNG, and liquefied/compressed natural gas (L/CNG). Funding is available for the following Alternative Fuel Infrastructure project categories:
  - New construction alternative fuel refueling stations
  - Alternative fuel refueling station upgrade and expansion projects. For the purpose of this solicitation, all upgrade and expansion projects must result in an increase fuel throughput and increased station utilization.
  - Modification of existing facilities used for vehicle maintenance and repair
  - Training of technicians in the maintenance of natural gas-fueled vehicles and infrastructure
- **Incentive Levels** – In no case could an MSRC funding award exceed 50% of the combined cost of the station/upgrade capital equipment, site construction, signage, and reasonable project management costs. The incentive levels available also vary as a function of the type of infrastructure proposed and type of entity requesting funding assistance. The following maximums apply:

Entity	Fuels	Limited Access	Public Access	Facility Mods	Technician Training	Renewable Natural Gas
Private	Single Fuel	\$100,000	\$150,000	\$75,000	\$15,000	\$100,000
	Multi-Fuel	\$150,000	\$200,000			
Public	Single Fuel	\$175,000	\$225,000			\$100,000
	Multi-Fuel	\$225,000	\$275,000			

- **Other Funding Provisions** – To ensure broad-based participation, the MSRC has established the following parameters:
  - A geographical funding minimum amount has been set at \$500,000 for each county within the SCAQMD. This guarantees a minimum level of funding for each county to implement alternative fuel infrastructure projects.
  - The maximum total funding award to any public or private entity under this solicitation shall not exceed 20% of the total Available Funding. This maximum funding restriction can be waived by the MSRC in the event the MSRC does not receive meritorious applications from other applicants that meet or exceed 80% of the total available funds, or if the MSRC allocates additional funds to the program.

**ASSESSMENT OF APPLICATION RECEIVED:**

An additional application has been received and reviewed by the Infrastructure Subcommittee. As specified in the Program Announcement, the following ranking methodology was used:

1. Determine compliance with all mandatory requirements - The applications were first evaluated for compliance with minimum requirements. The proposed projects were found to meet all the requirements set forth in the Program Announcement.
2. Meet geographical funding minimums – As noted above, the Program Announcement established a funding minimum of \$500,000 per county. While the County geographic minimums have not yet been met, because the Program is not yet fully subscribed, \$919,500 can be reserved for this purpose without any need to delay consideration of other awards.
3. Ensure all eligible “first day” applications receive funding – This requirement was previously met.

RECOMMENDATIONS: The MSRC-TAC considered the recommendations of its Infrastructure Subcommittee and recommends funding of the application as shown in Table 1.

Table 1: Alternative Fuel Infrastructure Funding Recommendations

<i>Prop. No.</i>	<i>Proposer</i>	<i>MSRC Request</i>	<i>Cumulative</i>	<i>Project County</i>	<i>Notes</i>
7	Irvine Ranch Water District	\$190,000	\$190,000	Orange	Install new limited access station and train technicians

NEXT STEPS: Following review and approval by the MSRC, the funding award will be forwarded to the SCAQMD Board for consideration at their April 2018 meeting.

AGENDA ITEM #8

Consider Applications Received Under the  
Local Government Partnership Program

MSRC Agenda Item No. 8

**DATE:** March 15, 2018

**FROM:** Stephen Patchan, Chair  
MSRC-TAC Local Government Match Subcommittee

**SUBJECT:** Review FYs 2016-18 Local Government Match Program Applications to Date & Recommend Funding Awards

**SYNOPSIS:** The MSRC allocated a total of \$21,180,650 of MSRC **Clean Transportation Funding™** to the FYs 2016-18 Local Government Partnership Program. Per the Program Opportunity Notice, each city and county within SCAQMD that participates in the AB 2766 Subvention Fund Program has a funding allocation reserved for its use. While the last day to submit an application is August 2, 2018, applications are to be considered as they are received. The MSRC has previously funded five applications totaling \$267,541. The MSRC has received nine additional applications requesting a total of \$735,980.

**RECOMMENDATION:** The MSRC-TAC considered the recommendations of its Local Government Match Subcommittee and recommends approval of eight awards in the total amount of \$514,480.

**FISCAL IMPACT:** A total of \$21,180,650 in MSRC Discretionary funding was reserved for the Local Government Partnership Program under the FYs 2016-18 Work Program. If the MSRC-TAC's recommendation is approved, \$20,398,629 will remain available.

---

**DISCUSSION:** As an element of their FYs 2016-18 Work Program, the MSRC developed and implemented the Local Government Partnership Program. This Program represents a significant departure from prior MSRC programs such as the Local Government Match Program, in that it is not competitive. Each city and county within SCAQMD which participates in the AB 2766 Subvention Fund Program has a pro-rata funding allocation reserved for its use. The Program directly supports the SCAQMD's 2016 Air Quality Management Plan (AQMP) by focusing MSRC investments on AQMP measures, and local government leadership will be educated on the region's air quality challenges and the regional blueprint for achieving healthful air. A total of \$21,180,650 in MSRC Discretionary Funds was allocated. The Program offers to co-fund qualifying light-, medium- and heavy-duty zero-emission vehicles; near-zero-emission heavy-duty vehicles; alternative fuel Infrastructure projects; and electric vehicle charging infrastructure. Cities with smaller populations—those who are eligible for a maximum MSRC funding contribution of \$50,000—may propose projects within any of the above categories but also for traffic signal synchronization, bicycle active transportation, and first mile/last mile strategies.

The solicitation mechanism is a Program Opportunity Notice (PON). The PON was released on September 1, 2017 concurrent with SCAQMD Governing Board approval. The application period was originally scheduled to

close on March 2, 2018. However, at their February 15, 2018 meeting, the MSRC acted to extend the deadline to August 2, 2018.

The MSRC has previously funded five applications totaling \$267,541. Eight additional applications have been received, and one previously submitted application which had not yet been reviewed by the MSRC has been revised. One of the additional applications, from the City of Anaheim, is not yet complete because the required presentation still needs to be given to the City Council. The MSRC-TAC considered the recommendations of its Local Match Subcommittee and recommends approval of eight awards totaling \$514,480 for the applications shown in Table 1, below.

Table 1 – Eligible Funding Requests

NO	Jurisdiction	Project Type(s)	Funding Request
5	City of Grand Terrace	EV charging infrastructure	\$45,000
7	City of Diamond Bar	EV charging infrastructure, light-duty zero-emission vehicles, and heavy-duty near-zero-emission vehicle	\$73,930
9	City of Arcadia	Heavy-duty zero-emission vehicle and heavy-duty near-zero emission vehicle	\$74,650
12	City of Duarte	Heavy-duty zero-emission vehicle	\$50,000
13	City of Calabasas	EV charging infrastructure	\$50,000
14	City of Westlake Village	EV charging infrastructure	\$50,000
15	City of Indian Wells	EV charging infrastructure	\$50,000
16	City of Westminster	EV charging infrastructure, light-duty zero-emission vehicles, and medium/heavy-duty zero emission vehicle	\$120,900
*			<b>\$514,480</b>

\* Application numbers non-sequential due to submission of incomplete applications, applications for which clarification is being sought, etc. Some cities have requested less than their full funding allocation, but the remainder will continue to be reserved for them until the close of the application period.

AGENDA ITEM #9

Consider Alternative Approach to Implementing  
Hydrogen Infrastructure Element of FYs 2016-2018 Work Program

**Program Opportunity Notice for the  
Implementation of Hydrogen Refueling Stations  
In the South Coast Air District**

**Hydrogen Infrastructure Partnership Program**

**PON2018-00**

**April 6, 2018**

## **Section I: Introduction**

For the past 27 years, the Mobile Source Air Pollution Reduction Review Committee (MSRC) has been a recognized leader in the implementation of alternative fuel infrastructure in the South Coast AQMD region. Infrastructure is the essential, enabling component of any alternative fuel vehicle strategy, and the MSRC has historically assumed the role of providing infrastructure funding to support low emission vehicle deployment programs, including but not limited to the Carl Moyer Program and the South Coast AQMD's Fleet Rules. Without the availability of incentives to offset the cost of alternative fuel infrastructure, it is less likely that programs such as Moyer and the AQMD Fleet Rules would have been able to achieve the significant reductions in air pollution and quality of life improvements that have taken place over the past two decades. The MSRC takes pride in its role as a strategic partner in these important air quality improvement programs.

With the State and SCAQMD emphasis on transitioning vehicles to zero and near-zero emissions, the MSRC's role in providing funding for enabling infrastructure has expanded to include fuels such as renewable natural gas and electric vehicle support equipment (EVSE). With the introduction of consumer-oriented zero emission fuel cell passenger vehicles, and the development and demonstration of fuel cell drayage trucks to support zero emission goods movement, the MSRC is further expanding its available funding to support implementation of hydrogen vehicle refueling infrastructure in the South Coast AQMD region.

The MSRC recognizes that the lead agencies for the implementation of hydrogen refueling stations are, at the state level, the California Energy Commission, and locally the South Coast AQMD. Through its *Alternative and Renewable Fuel and Vehicle Technology Program*, the California Energy Commission (Energy Commission) have developed unique expertise pertaining to the selection, management, and oversight of hydrogen refueling station implementation. The South Coast AQMD also has extensive hydrogen infrastructure experience as well as local insight into hydrogen refueling station needs and opportunities. As such, the MSRC seeks to partner with the Energy Commission, the South Coast AQMD, and other public and private stakeholders, to expand the availability of hydrogen refueling as a means to accelerate the deployment of large numbers of zero emission hydrogen vehicles.

## **Section II: Program Opportunity Notice Overview**

This Program Opportunity Notice (PON) seeks to expand the availability of hydrogen refueling infrastructure in the South Coast AQMD region by making available a source of co-funding that can be accessed by the MSRC's strategic partners. The intent is to provide funding that can be used to improve the financial viability of a candidate hydrogen refueling station that has already undergone vetting by the Energy Commission or South Coast AQMD, or is being proposed by a public agency or industry stakeholder that will undergo evaluation by the MSRC, Energy Commission, or South Coast AQMD. The goal is to have this funding source readily available so it can be tapped by our strategic partners during and within the course of their regular procurement processes.

To this end, the MSRC has allocated Three Million Dollars<sup>1</sup> (\$3,000,000) in **Clean Transportation Funding™** from its FY 2016-'18 Work Program for the MSRC's *Hydrogen Infrastructure Partnership Program*. This is an initial funding allocation; the MSRC reserves the right to increase the funding available under this PON by allocating additional funds from either the FY 2016-'18 Discretionary Fund or a future Work Program<sup>2</sup>.

The MSRC has established additional, specific objectives for the Hydrogen Infrastructure Partnership Program:

- Ensure the Program is geographically broad based, with the goal of having at least one (1) hydrogen station emplaced within each county that comprises the South Coast AQMD. To ensure broad geographic participation, the MSRC is establishing a geographic funding minimum in an amount of \$500,000 per county;
- Provide adequate time for technologically sophisticated refueling station designs and potentially complex station implementation partnerships to be forged. The MSRC recognizes that hydrogen refueling infrastructure is relatively expensive, poses unique technical challenges, and often involves the participation of multiple stakeholders. These stakeholders may include hydrogen fuel providers, automobile manufacturers, property owners, as well as the state and local funding agencies. To ensure sufficient time is available to allow all necessary project elements to be fully developed, the MSRC is establishing an approximately 24-month period for the submittal of hydrogen station concepts and funding requests under this PON. This submittal period can be extended at the discretion of the MSRC.

### **Section III: Hydrogen Infrastructure Partnership Program – How to Participate**

Participation in the MSRC Hydrogen Infrastructure Partnership Program is designed to minimize upfront paperwork so as to not to unduly burden participating agencies or entities.

#### MSRC Public Agency Infrastructure Partners

Public agencies, specifically the Energy Commission, South Coast AQMD, and California Air Resources Board, which are established MSRC infrastructure partners, are asked to submit a concise Hydrogen Refueling Station Concept Description to initiate the PON process. The Concept Description should include:

- The hydrogen refueling station's proposed location;
- Anticipated user base and/or fuel throughput (i.e., anchor tenants);
- Project participants, including refueling station sponsor;

---

<sup>1</sup> In keeping with adopted policy and past practice, the MSRC reserves the right to reduce the total funding available and reallocate funds to other Work Program categories in the event hydrogen infrastructure funding requests total less than the amount allocated, or if projects are deemed non-meritorious. The MSRC also reserves the right to not fund any of the projects received, irrespective of the merits of the projects submitted for funding consideration.

<sup>2</sup> The source of MSRC **Clean Transportation Funding™** is motor vehicle registration fees collected by the California Department of Motor Vehicles (DMV) in accordance with the California Health and Safety Code. Thus, the availability of MSRC **Clean Transportation Funding™** is contingent upon the timely receipt of funds from the DMV. Neither the MSRC nor South Coast AQMD can guarantee the collection of remittance of registration fees by the DMV.

- Implementation schedule;
- Station cost, including the existing funding shortfall;
- Requested MSRC funding amount.

If available, it is requested that the Concept Description include as an attachment a copy of the original station proposal submitted to the Energy Commission, South Coast AQMD, and/or Air Resources Board, as well as a summary of the proposal's evaluation or scoring based on agency review.

#### Other Project Proponents

In addition, all public and private entities seeking to establish new or expanded hydrogen refueling infrastructure are eligible and encouraged to participate under this PON. Non-regulatory agency participants are asked to submit their Hydrogen Refueling Station Concept Descriptions in accordance with the following guidelines:

1. Cover Letter that identifies the name of the individual or organization submitting the hydrogen station Concept Description, including but not limited to telephone and e-mail address of the contact person(s) for technical and contractual matters.
2. A concisely written hydrogen refueling station technical description, including: a) technical specification; b) project location; c) station development participants, and d) anticipated user base and/or hydrogen fuel throughput.
3. Project Schedule, including the timeframe for project implementation and any anticipated barriers to project completion.
4. Estimated Project Cost, including total project cost, sources of match funding and other direct cost-sharing, and whether co-funding is secured or anticipated.

#### **Section IV: Project Review & Funding Process**

All hydrogen refueling station concepts will be reviewed by the MSRC's Technical Advisory Committee/Infrastructure Subcommittee. Submittal of a Hydrogen Refueling Station Concept Description will result in one of the following three outcomes:

- A request by the MSRC for the submittal of a full proposal for possible sole-source funding consideration;
- Notification that a detailed Request for Proposals (RFP) will be issued at a later date;
- Notification that a Hydrogen Refueling Station Concept Description has been declined from further consideration.

Hydrogen refueling station proponents selected for MSRC funding will be required to enter into a contract with the South Coast AQMD on behalf of the MSRC. This contract will be the result of a negotiation between the MSRC, SCAQMD, and the hydrogen refueling station project lead entity. In cases where the South Coast AQMD is the project sponsor, the MSRC may elect to transfer funding using established interagency accounting practices. In all cases, projects must be approved by the MSRC and South Coast AQMD Governing Board prior to the execution of a contract or disbursement of MSRC funds.

The period of submittal under this PON closes on April 10, 2020, unless extended by the MSRC. Hydrogen Refueling Station Concept Descriptions should be sent via e-mail to:

DRAFT

AGENDA ITEM #10

2018 Clean Fuels/Clean Technologies  
Conference Calendar

## Clean Fuels and Clean Technologies Conference Calendar for 2018

March 2018

- Mar 26-29 International Battery Seminar & Exhibit, Fort Lauderdale, FL Website  
<http://www.internationalbatteryseminar.com/>
- Mar 26-27 CalStart Clean Transportation Summit, Sacramento, CA. Website:**  
[www.cleantransportationsummit.org](http://www.cleantransportationsummit.org)

April 2018

- Apr 9-10 Greening the Golden State, Sacramento, CA Website:**  
<https://www.green-technology.org/green-california-summit-2018/>
- Apr 10-12 WCX World Congress Experience (Auto & Mobility Industry), Detroit, MI. Website:  
<http://wcx18.org/>
- Apr 16-17 BYD Hosts CalStart's Leadership Circle, Lancaster, CA. Website:**  
<http://bit.ly/2DzXYmV>
- Apr 17-19 Green Transportation Summit & Expo, Tacoma, WA Website:  
<http://www.gtsummitexpo.com/>
- Apr 20 12<sup>th</sup> Annual Sustainability Summit, Getty Center, CA**  
<http://labusinesscouncil.org/Events-&-Meetings>
- Apr 30-May 3 ACT EXPO, Long Beach, CA, Website:**  
<https://www.actexpo.com/>

May 2018

- May 9 3<sup>rd</sup> Annual AltCar Expo, Sacramento, CA. Website:**  
<http://www.altcarexposac.com/>

June 2018

- June 4-7 Advanced Automotive Battery Conference, San Diego, CA. Website:**  
<http://advancedautobat.com/us/>
- June 6-7 xEV Battery Technology, San Diego, CA. Website:**  
<http://www.advancedautobat.com/aabc-us/automotive-batteries.html>
- June 6-7 EV Technology for Specialty Transportation, San Diego, CA. Website:**  
<http://www.advancedautobat.com/aabc-us/ev-transportation.html>

For the latest updates on the listed conferences, please call the conference contact person directly.
