

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE  
MSRC AGENDA  
Thursday, January 17, 2019 at 2:00 p.m.**

**LOCATION**

South Coast Air Quality Management District  
21865 Copley Drive, Conf. Room CC8, Diamond Bar, CA 91765

**TELECONFERENCE LOCATION**

Los Angeles County MTA (LA Metro) Headquarters, Henry Huntington Room, 3<sup>rd</sup> Floor  
One Gateway Plaza, Los Angeles, CA 90012  
(Public may attend either of the above locations)

**MSRC Committee Members**

**MSRC Chair**

Larry McCallon  
Member, SBCTA Board of Directors  
Representing San Bernardino County  
Transportation Authority

Greg Pettis  
Commissioner, RCTC  
Representing Riverside County Transportation  
Commission  
Alternate: Brian Berkson, Commissioner, RCTC

**MSRC Vice-Chair**

Greg Winterbottom  
Board of Directors, OCTA  
Representing Orange County Transportation  
Authority  
Alternate: Tim Shaw, Board of Directors, OCTA

Jack Kitowski, CARB Staff  
Representing California Air Resources Board  
Alternate: Michael Carter, CARB Staff

Ben Benoit  
Member, SCAQMD Governing Board  
Representing South Coast Air Quality  
Management District

Vacant  
Representing Regional Rideshare Agency  
Alternate: Dolores Roybal Saltarelli, MTA Staff

Steve Veres, Member, LACCD Board of  
Trustees  
Representing Los Angeles County MTA  
Alternate: Mark Yamarone, MTA Staff

Vacant  
Representing Southern California Association of  
Governments  
Alternate: Rex Richardson, SCAG Reg. Council

*Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't. Code Section 548543.(a)). Please provide a Request to Address the Committee card to the Committee Secretary if you wish to address the Committee on an agenda item. If no cards are available, please notify SCAQMD staff or a Board Member of your desire to speak. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.*

**CALL TO ORDER**

Opening Comments: Larry McCallon, MSRC Chair  
Other MSRC Members  
Naveen Berry, Asst. DEO/Science & Technology Advancement

**STATUS REPORT**

Clean Transportation Policy Update

Ravenstein

The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at [www.cleantransportationfunding.org](http://www.cleantransportationfunding.org).

**CONSENT CALENDAR (Items 1 through 12)**

**Receive and Approve**

1. Minutes of the August 16 and September 20, 2018 MSRC Meetings Cedillo  
Minutes to be distributed at meeting
  
2. Summary of Final Reports by MSRC Contractors Gorski  
p. 1
  - Grand Central Recycling & Transfer Station, MS14082  
(\$150,000 – Construct New Public Access CNG Station)
  - Burrtec Waste & Recycling Services, LLC, MS16087  
(\$100,000 – Construct New Limited-Access CNG Station)
  - Orange County Transportation Authority, MS16093  
(\$1,553,657– Implement a Mobile Ticketing System)
  - Huntington Beach Union High School District, MS16105  
(\$175,000 – Expansion of Existing CNG Infrastructure)
  - Orange County Transportation Authority, MS18004  
(\$503,272 – Provide Special Rail Service to Angel Stadium)

- 3. Consider Adoption of 2019 Meetings Schedule Cedillo  
p. 12

Annually the MSRC considers a proposed meeting schedule for the upcoming year. The schedule continues with meetings on the first and third Thursdays, respectively, for the MSRC-TAC and MSRC, with three exceptions. Staff recommends the MSRC-TAC meetings in January, July and December be held on the second Thursday of the month to avoid holiday conflicts.

**Information Only - Receive and File**

- 4. MSRC Contracts Administrator’s Report Ravenstein  
p. 14

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from September 27, 2018 through January 3, 2019.

- 5. Financial Report on AB 2766 Discretionary Fund Kampa  
p. 50

Financial Report for December 2018.

**For Approval – As Recommended**

- 6. Consider Seven-Month Term Extension by Waste Resources, Inc., Contract #MS14079 (\$100,000 – Install New Limited Access CNG Station) Ravenstein  
p. 51

Waste Resources requests a seven-month contract term extension due to longer than anticipated time needed to secure contractors. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

- 7. Consider Term Extension to June 25, 2023, by Rialto Unified School District (RUSD), Contract #MS14076 (\$225,000 – Install Public Access CNG Station) Ravenstein  
p. 53

RUSD requests a contract term extension to June 25, 2023, approximately 16 months, due to the need to expand the electrical infrastructure at the site. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

- 8. Consider Eighteen-Month Term Extension by the City of Pomona, Contract #ML16008 (\$60,000 – Purchase Three Medium-Duty and One Heavy-Duty CNG Vehicles) Ravenstein  
p. 55

The City requests an eighteen-month term extension due to longer than anticipated time for vehicles to receive Air Resources Board certifications. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

9. Consider One-Year Term Extension by the City of Monterey Park, Contract #ML16013 (\$90,000 – Purchase Three Heavy-Duty CNG Vehicles) Ravenstein  
p. 58

The City requests a one-year term extension due to longer than anticipated time for vehicles to receive Air Resources Board certifications. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

10. Consider Eighteen-Month Term Extension by the Los Angeles Department of Water and Power (LADWP), Contract #ML16022 (\$360,000 – Purchase Twelve Heavy-Duty CNG Vehicles) Ravenstein  
p. 60

LADWP requests an eighteen-month term extension due to delays associated with vendor protests. **EXCEPT FOR AN ABSTENTION BY MEMBER HILLMAN, THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

11. Consider Contract Replacement for City of Palm Springs, Contract #ML16005 (\$40,000 – Install Bike Racks & Implement Bicycle Outreach) Ravenstein  
p. 62

Due to the expiration of the City's prior contract, the City requests a contract replacement to complete the scope of work for this project. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

12. Consider Contract Replacement for San Bernardino County Transportation Authority (SBCTA), Contract #MS16091 (\$1,000,000 – Signal Synchronization Upgrades) Ravenstein  
p. 64

Due to the expiration of SBCTA's prior contract, MSRC staff recommends a contract replacement to complete the scope of work for this project. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

**ACTION CALENDAR (Items 13 through 14)**

**FYs 2018-20 WORK PROGRAM**

13. Setting the Stage for FYs 2018-20 Work Program Development The Better  
World Group
- Presentation by The Better World Group on the analysis and results of the five regional Work Program Workshops held in May 2018.

14. Consider Recommendation from MSRC-TAC to Adopt Three-Year FYs 2018-21 Work Program York

The MSRC-TAC recommends that the MSRC consider a) expanding the FYs 2018-20 Work Program to FYs 2018-21 to encompass three years of funding; b) directing the MSRC-TAC to develop a proposed large-scale incentive program concept for which leveraging funds would be sought; and c) directing the MSRC-TAC to consider recommendations on which previous programs should be continued/reprised as well as potential new programs.

**OTHER BUSINESS**

15. *\*Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Govt. Code Section 54954.2)* **McCallon**  
p. 65

**PUBLIC COMMENT PERIOD** - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

*At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee’s authority that is not on the agenda. Speakers may be limited to three (3) minutes each.*

**ADJOURNMENT**

**NEXT MEETING: Date: February 21, 2019, 2:00 p.m., Room CC8**

***Americans with Disabilities Act***

*The agenda and documents in the agenda packet will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Govt. Code Section 54954.2(a)). Disability-related accommodations will also be made available to allow participation in the MSRC meeting. Any accommodations must be requested as soon as practicable. Requests will be accommodated to the extent feasible. Please contact Penny Shaw Cedillo at (909) 396-3179 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to pcedillo@aqmd.gov.*

***Pursuant to SB 343***

*All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available prior to the meeting for public review at the South Coast Air Quality Management District, Public Information Center, 21865 Copley Drive, Diamond Bar, CA 91765.*

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269

AGENDA ITEM #2

Summary of Final Reports by MSRC Contractors

MSRC Agenda Item No. 2

Date: January 17, 2019  
From: Ray Gorski, MSRC Technical Advisor  
Subject: Final Reports Received and Reviewed

Five final reports were submitted for MSRC review and approval during November and December 2018:

- Grand Central Recycling & Transfer Station, MS14082 (\$150,000 - Construct New Public Access CNG Station)
- Burrtec Waste & Recycling Services, MS16087 (\$100,000 – Construct New Limited-Access CNG Station)
- Orange County Transportation Authority, MS16093 (\$1,553,657 – Implement Mobile Ticketing System)
- Huntington Beach Union High School District, MS16105 (\$175,000 – Expansion of Existing CNG Infrastructure)
- Orange County Transportation Authority, MS18004 (\$503,272 – Special Metrolink Train Service to Angel Stadium)

A summary of each Final Report is attached. The MSRC-TAC has reviewed each Final Report and recommends approval.

**Contractor:** Grand Central Recycling & Transfer Station  
**Contract Number:** MS14082  
**Contract Amount:** \$150,000  
**Title:** Construct New Public Access CNG Station

Discussion: This project installed a new compressed natural gas (CNG) fueling station at Grand Central Recycling and Transfer Station's facility at 1371 East 9<sup>th</sup> Street, Pomona, California. The new publicly accessible CNG station is equipped with ANGI NG300 Duplex Compressors rated at 2,000 standard cubic feet per minute (SCFM). The dispensers are equipped with dual hoses, and the station incorporates credit card readers that accept all credit cards including MasterCard and Visa.

The 9<sup>th</sup> street station can now service hundreds of CNG vehicles per day and is accessible 24 hours per day/seven days per week. The fueling station provides CNG to several fleets, including the City of Pomona. During its first full month of operation, the new refueling station dispensed 14,462 Gasoline Gallon Equivalent (GGE) of CNG, displacing an equal amount of diesel and unleaded gasoline emissions from the environment.

**Contractor:** Burrtec Waste & Recycling Services, LLC  
**Contract Number:** MS16087  
**Contract Amount:** \$100,000  
**Title:** Construct New Limited-Access CNG Station

Discussion: The purpose of adding an onsite CNG refueling station to the Burrtec facility was to decrease emissions and traffic congestion to and from the Indio fuel site. It also decreased overcrowding at the public fuel station. The project site is located at 53600 Polk Street in Coachella. The site encompasses an office, a maintenance shop, a recycle transfer facility and parking for 65 solid waste collection and support vehicles. The majority of collection vehicles parked onsite are fueled with Compressed Natural Gas (CNG). The nearest CNG fuel station is located over six miles away in Indio, CA. That station is not equipped for high volume use and extended wait times are frequent. The average time to travel to and from the facility and fuel is over thirty-five minutes.

Burrtec partnered with Clean Energy to plan, design and install the fueling station and dispenser nozzles. Burrtec, Clean Energy, and the primary subcontractor Fastech maintained a regular schedule of meetings to discuss progress updates, changes, and challenges encountered during the process. Other entities such as government agencies and utilities were also included in the planning of the facility as needed.

It was determined that the fuel station would be installed in the southwest portion of the property. The system would encompass approximately 2,200 square feet. Clean Energy was responsible for planning the fuel station and fuel delivery dispenser layout. The design included two (2) IMV 150 horsepower compressors, a storage vessel, a PSB 10-3 dryer, and fifty -(50) fuel dispenser hoses. The fuel system is protected and enclosed by a chain link fence as well as fifty -(50) six-inch diameter bollards. All required permits were obtained, and all local and state codes and standards were adhered to throughout the installation.

Construction began in August 2017. Clean Energy's main subcontractor Fastech completed the majority of the work. The construction included earthwork and new concrete. It also included the installation of new electrical panels, conduit, and wiring. Underground CNG pipes had to be brought to the site and connected to the system. Cable Internet service was also brought to the site and connected to the system. System and equipment installation was completed in September 2018. After installation, the compression and electrical systems were thoroughly tested and found to be ready for operation on September 7, 2018.

The facility was opened and began full operation on September 10, 2018. The system is capable of fueling fifty -(50) vehicles at one time using a slow fill process. The fueling process is designed to fuel the entire fleet at the same time, overnight.

#### **Issues Encountered & Resolved**

The project required the involvement of several different entities and agencies. These include the Southern California Gas Company, which supplies the CNG fuel to the site; Imperial Irrigation District, which supplies electrical power to the site; Frontier Communications, which supplies internet service to the site; and the City of Coachella, which supplied the necessary permits and completed regular inspections on the work progress. In addition to these entities, the original plan included obtaining an

easement from the Union Pacific Railroad Company, which owns a railway near the project site, as well as an easement from the Coachella Valley Water District, which runs water and sewer lines near the project.

Coordinating logistics and project changes between the different agencies proved to be difficult and time consuming. Due to this, the project encountered significant delays. In addition, the project was not able to obtain the needed easement from the railroad company. An alternative proposal was introduced and approved by all parties. Following all of the delays, the project was successfully completed, albeit approximately one year after the originally scheduled completion date.

**Contractor:** Orange County Transportation Authority  
**Contract Number:** MS16093  
**Contract Amount:** \$1,553,657  
**Title:** Implement Mobile Ticketing System

Discussion: The scope of the project included: 1) the design and development of a mobile ticketing application, 2) purchasing reader hardware, 3) installing, configuring, testing electronic readers, 4) integrating mobile ticketing application with electronic readers, and 5) implementing Public Outreach Plan. Features of the new mobile software include:

- Allowing users to purchase tickets for OCTA entire fare catalog using their smart phones;
- Using the smart phone to display valid fare payment on OCTA's buses using dynamic bar codes;
- Viewing route maps and schedules;
- Locking/Blocking a rider account if fraudulent activity is suspected (OCTA staff);
- A robust back-office system that allowed OCTA staff to effectively assist OCTA riders when they need assistance with their OC Bus mobile applications.

#### Issues Encountered & Resolved

Development of the OC Bus Mobile App presented many challenges to ensure goals of the program were met, and that the mobile app provided a positive customer user experience. It was important to ensure that the app functionality met core objectives and created content for app, online portal, and stores.

In late October 2016, there was a two-day period in which users were not able to add or edit payment methods in their user profile that prevented users from purchasing tickets. This issue was resolved by Braintree, who is the payment-processing vendor for the mobile ticketing application, as there was a connection issue between Braintree and our mobile ticketing application.

The hardware manufacturer for the Electronic Readers ran into a delay with building our devices. In an unforeseen circumstance the manufacturer was put in a position where they had to fulfill large orders for three different agencies during the same quarter. This resulted in a one-month delay from our original schedule, which OCTA agreed to accept.

#### Results

As of September 2018, there are just over 78,800 registered users on the Mobile Ticketing app with roughly 950,000 fare purchases since the launch of the application. There have been electronic readers installed on OCTA's entire fixed route fleet and OCTA has activated the readers for production use during OCTA's February Service Change on February 11, 2018.

Additional benefits of mobile ticketing include:

- Increasing ease of use for customers to promote customer self-service;

- Giving OCTA the ability to accept fare media from neighboring agencies through electronic readers;
- Stimulating growth in ridership;
- Decreasing emissions from personal motor vehicles;
- Eliminating the hassle of carrying paper passes or exact change;
- Storing multiple passes on your phone for future use;
- Allowing payment of a single fare or multiple fares for a group of riders;
- Speeding up boarding times.

**Contractor:** Huntington Beach Union High School District  
**Contract Number:** MS16105  
**Contract Amount:** \$175,000  
**Title:** Expansion of Existing CNG Infrastructure

Discussion: The Huntington Beach Union High School District (HBUHSD) upgraded their existing CNG refueling station located at the District’s Maintenance, Operations, and Transportation facility at 7180 Yorktown Avenue in Huntington Beach. The original facility had no fuel storage on site, as the system is entirely a “time-fill” refueling station with 12 slow-fill fuel dispensers. The average monthly throughput was 1,928-gasoline gallon equivalent (GGE), or approximately 23,133 GGE (27,804 therms) annually. The facility was upgraded to add “fast-fill” refueling capabilities and an additional 12 time-fill posts for the District’s expanded CNG fleet of student transportation vehicles, which has increased from eleven (11) CNG buses in 2016 to seventeen (17) Type D and two (2) Type C CNG buses at the time the station was commissioned in 2017, with an additional 15 Type D CNG buses on order and expected to be delivered by mid-2019.

The project replaced the existing station with a 30-dispenser time-fill system as well as 2 fast-fill dispensers. The time-fill system is capable of dispensing up to 200 GGE over eight hours, with all stations occupied and filling from the fueling system. Typical fill procedure will have each bus driver park their vehicle in one of the 30 CNG stalls and prepare the bus for an overnight time-fill. Not only does this take advantage of “time of use” rates for electricity by refueling when energy costs are at their lowest, but maintains efficient operation schedules for student transportation services.

The fast-fill component of the station will allow HBUHSD to enter into refueling station access agreements with neighboring public agencies or to sell CNG at retail prices for personal vehicles, thereby improving the viability of CNG vehicles in the South Coast AQMD region. HBUHSD received verbal commitments for usage of the facility from several other public entities in the area with a need for access to CNG fuel for their own fleet of transportation vehicles. The District is currently reviewing the tax implications of becoming a retail provider of CNG, but is still planning to provide this access in the near future.

An electrical upgrade was required to accommodate the larger equipment that was installed at the new CNG station in order to facilitate the fast-fill capabilities. In addition to the expansion of the CNG station, the District took this opportunity to increase electrical capacity to potentially add Electric Vehicle (EV) charging stations at a later date. HBUHSD’s new facility was upgraded with the following new components:

- Compressors (2);
- Time-fill/fast fill starter panel;
- Natural gas dryer;
- Storage containers;
- Valve panel;

- An uncovered fueling island with one dual hose fast-fill fueling dispenser;
- Fuel management System (for use with third party users at the fast-fill dispenser); and
- Fifteen (15) dual hose time-fill posts (south of the fast-fill dispenser) – For 30 total time fill hoses.

**Issues Encountered & Resolved**

The District did encounter some scheduling issues with upgrading the gas line and electrical at the facility. These setbacks were due to utility scheduling issues with Southern California Edison (electrical upgrade) and Southern California Gas Company (gas line upgrades). In addition, the City of Huntington Beach had issued a moratorium on right-of-way permits for any work that would require excavating or cutting into Yorktown Avenue, which is the street where the new CNG refueling facility was located. The street had just been repaved the previous year, which meant that SCG had difficulty in obtaining an encroachment permit to upgrade their line that was located in the City’s right-of-way.

The project was also hampered after construction was completed due to equipment issues with the utility meter installed by SCG. The old meter was misplaced and continued to send out a pulse; therefore, SCG could not activate the pulse on the new meter installed at the CNG station. HBUHSD was unable to compare estimated fuel mileage for the buses with an actual fuel bill for the first three months after the station was commissioned and operational.

**Emissions Benefits**

The newly expanded facility is averaging a monthly throughput of 3,851-diesel gallon equivalent (DGE) of CNG. This equates to approximately 355,609 lbs. of CO<sub>2</sub> diverted from the atmosphere annually.

**Photographs and Outreach**

The District hosted a “ribbon-cutting” on March 5, 2018. A copy of the Press Alert sent out by the District is included with this report as Attachment A. HBUHSD Board of Trustees and senior staff were in attendance, along with representatives from AECOM Technical Services, the District’s consultant selected to construct the facility.

**Contractor:** Orange County Transportation Authority  
**Contract Number:** MS18004  
**Contract Amount:** \$503,272  
**Title:** Special Metrolink Train Service to Angel Stadium – 2017 & 2018 Seasons

Discussion: The 2017 service operated from March 30 to September 29, and included two pre-season games. A total of 53 games were served in 2017, including 15 Friday games. In 2018, 49 games were served, including 14 Friday games. On each day of service, Metrolink operated a special return trip from Anaheim to Los Angeles, via the Orange County (OC) Line. Additionally, for those Fridays served, Metrolink operated a special round trip between Perris Valley and Orange, with a transfer to Anaheim, via a train route combining the 91/Perris Valley (91/PV) and the Inland Empire- Orange County (IEOC) lines. Regular service was available for passengers traveling from Los Angeles to Anaheim, and between Oceanside and Anaheim, via the OC Line.

On game nights, passengers accessed the Anaheim Station via the southbound train from LA Union Station, Norwalk/Santa Fe Springs, Buena Park, or Fullerton, or via the northbound train from Laguna Niguel/Mission Viejo, Irvine, Tustin, Santa Ana, or Orange.

On Friday game nights, passengers had the option to take the train from Perris-South, Perris Downtown, Moreno Valley-March Field, Hunter Park-UCR, Riverside Downtown, Riverside-La Sierra, North Main Corona, West Corona, or Anaheim Canyon, and transfer at Orange to the Anaheim Station.

Return trains departed the Anaheim Station 30 minutes after the last inning, and could be held as late as 11:00 p.m., in the event that the game ran late. Return trips allowed passengers to disembark at any station along the departing route. The southbound OC Line train continued past Laguna Niguel/Mission Viejo, and made stops in San Juan Capistrano, San Clemente, and Oceanside. The table below lists the stations served by the 2017-2018 Angels Express.

<b>OC Line (Northbound to Anaheim)</b>	<b>OC Line (Southbound to Anaheim)</b>	<b>Combined 91/PV and IEOC Line (Westbound to Anaheim)</b>
<ul style="list-style-type: none"> <li>• Oceanside<sup>1</sup></li> <li>• San Clemente<sup>1</sup></li> <li>• San Juan Capistrano<sup>1</sup></li> <li>• Laguna Niguel/Mission Viejo</li> <li>• Irvine</li> <li>• Tustin</li> <li>• Santa Ana</li> <li>• Orange</li> <li>• Anaheim</li> </ul>	<ul style="list-style-type: none"> <li>• LA Union Station</li> <li>• Norwalk/Santa Fe Springs</li> <li>• Buena Park</li> <li>• Fullerton</li> <li>• Anaheim</li> </ul>	<ul style="list-style-type: none"> <li>• Perris-South</li> <li>• Perris-Downtown</li> <li>• Moreno Valley-March Field</li> <li>• Hunter Park-UCR</li> <li>• Riverside/Downtown</li> <li>• Riverside/La Sierra</li> <li>• North Main Corona</li> <li>• West Corona</li> <li>• Anaheim Canyon</li> <li>• Orange<sup>2</sup></li> <li>• Anaheim</li> </ul>

<sup>1</sup> Station stop only on southbound trip

<sup>2</sup> Transfer to OC Line

In 2017, ridership for the first 50 regular games (37,160 boardings) was 13.1 percent below ridership for the 50 games served in 2016 (42,738 boardings). Ridership for 49 games served during the 2018 season totaled 37,546 boardings, and compared to the first 49 regular games of the 2017 season (36,640 boardings), ridership in 2018 increased by 2.5 percent.

In 2017, 19,971 special round trip Metrolink Angels Express tickets were sold, just 0.2 percent less than those sold in 2016. In 2018, ticket sales topped 20,554 tickets, representing a 2.9 percent increase from 2017. In 2017 and 2018, the top three origin stations, in descending order of tickets sold, were Laguna Niguel/Mission Viejo, LA Union Station, and Irvine stations. The Laguna Niguel/Mission Viejo Station was the origin point for 26 percent of tickets sold in 2017 and 24 percent of tickets sold in 2018. Compared to each prior year, total ticket revenue increased by 0.7 percent in 2017, and by 5.1 percent in 2018.

AGENDA ITEM #3

Consider Adoption of 2019 Meetings Schedule

MSRC Agenda Item No. 3

DATE: January 10, 2019

FROM: Penny Shaw Cedillo

SUBJECT: 2019 Meeting Schedule

SYNOPSIS: Annually the MSRC considers a proposed meeting schedule for the upcoming year. The schedule continues with meetings on the first and third Thursdays, respectively, for the MSRC-TAC and MSRC, with two exceptions. Staff recommends the MSRC-TAC meeting in January and December be held on the second Thursday of the month to avoid a conflict with the holidays.

RECOMMENDATION(S):

The MSRC-TAC recommends adoption of the proposed 2019 meeting schedule.

WORK PROGRAM IMPACT: Not applicable.

All regularly scheduled MSRC-TAC meetings are held on the first Thursday of every month at 1:30 p.m. in Conference Room CC8, unless otherwise noted. All regularly scheduled MSRC meetings are held on the third Thursday of every month at 2:00 p.m. in Board Conference Room CC8, unless otherwise noted.

Meeting agendas can be viewed on the MSRC's website at <http://www.cleantransportationfunding.org>.

AGENDA ITEM #4

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 4

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein

**SUBJECT:** AB 2766 Contracts Administrator's Report

**SYNOPSIS:** This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from September 27, 2018 to January 3, 2019.

**RECOMMENDATION:** Receive and file report

**WORK PROGRAM IMPACT:** None

**Contract Execution Status**

**2016-18 Work Program**

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are executed. The MSRC has replaced the award to the California Energy Commission with a Program Opportunity Notice for the Hydrogen Infrastructure Partnership Program.

On February 2, 2018, the SCAQMD Governing Board approved one award under the Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, four awards under the Local Government Partnership Program, and two awards under the County Transportation Commission Partnership Program. These contracts are with the prospective contractor for signature or executed.

On March 2, 2018, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, and one award under the Local Government Partnership Program. These contracts are executed.

On April 6, 2018, the SCAQMD Governing Board approved one award under the Natural Gas Infrastructure Program and eight awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature or executed.

On May 4, 2018, the SCAQMD Governing Board approved twenty-seven awards under the Local Government Partnership Program and one award under the County Transportation Commission Partnership Program. These contracts are undergoing internal review, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On June 1, 2018, the SCAQMD Governing Board approved six awards under the Local Government Partnership Program, one award under the Natural Gas Infrastructure Program, and one award under the County Transportation Commission Partnership Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On July 6, 2018, the SCAQMD Governing Board approved nine awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On September 7, 2018, the SCAQMD Governing Board approved nineteen awards under the Local Government Partnership Program, three awards under the County Transportation Commission Partnership Program, one award under the Major Event Center Transportation Program, and twenty awards under the Natural Gas Infrastructure Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On October 5, 2018, the SCAQMD Governing Board approved forty-eight awards under the Local Government Partnership Program and one award under the Hydrogen Infrastructure

Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, or with the SCAQMD Board Chair for signature.

**2014-16 Work Program**

On December 5, 2014, the SCAQMD Governing Board approved an award under the AB118 Enhanced Fleet Maintenance Program. This contract is executed.

On June 5, 2015, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award to provide low-emission transportation services to the Special Olympics World Games. These contracts are executed.

On September 4, 2015, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On October 2, 2015, the SCAQMD Governing Board approved 11 awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are executed.

On November 6, 2015, the SCAQMD Governing Board approved 37 awards under the Local Government Match Program. These contracts are executed.

On December 4, 2015, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, one award under the Alternative Fuel Infrastructure Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On January 8, 2016, the SCAQMD Governing Board approved two awards under the Major Event Center Transportation Program, one award under the Local Government Match Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On March 4, 2016, the SCAQMD Governing Board approved two awards under the Alternative Fuel Infrastructure Program. These contracts are executed.

On April 1, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and five awards under the Transportation Control Measure Partnership Program. These contracts are executed.

On May 6, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On June 3, 2016, the SCAQMD Governing Board approved one award under the Alternative Fuel Infrastructure Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved ten awards under the Alternative Fuel Infrastructure Program and five awards under the Near-Zero Natural Gas Engine Incentives

Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program and an award under the Near-Zero Natural Gas Engine Incentives Program. These contracts are executed.

### **Work Program Status**

Contract Status Reports for work program years with open and/or pending contracts are attached.

#### ***FY 2004-05 Work Program Contracts***

One contract from this work program year is open.

#### ***FY 2004-05 Invoices Paid***

No invoices were paid during this period.

#### ***FY 2007-08 Work Program Contracts***

3 contracts from this work program year are open; and 2 are in “Open/Complete” status.

#### ***FY 2007-08 Invoices Paid***

No invoices were paid during this period.

#### ***FY 2008-09 Work Program Contracts***

One contract from this work program year is open; and 3 are in “Open/Complete” status. One contract closed during this period: City of Covina, Contract #ML09043 – Upgrade Existing CNG Station.

#### ***FY 2008-09 Invoices Paid***

One invoice in the amount of \$450,000.00 was paid during this period.

#### ***FY 2010-11 Work Program Contracts***

3 contracts from this work program year are open; and 26 are in “Open/Complete” status. 5 contracts closed during this period: City of Redlands, Contract #ML11026 – Purchase 3 Heavy-Duty Natural Gas Vehicles; Torrance Unified School District, Contract #MS11066 – Expand Existing CNG Station; Ryder System, Contract #MS11068 – Install Public Access L/CNG Station (Fontana); Ryder System, Contract #MS11069 - Install Public Access L/CNG Station (Orange); and City of Los Angeles, Department of General Services, Contract #MS11034 – Purchase 21 Heavy-duty CNG vehicles. One contract moved into “Open/Complete” status during this period: City of Gardena, Contract #ML11032 – Purchase Heavy-Duty CNG Vehicle, Install CNG Station and Upgrade Maintenance Facility.

#### ***FY 2010-11 Invoices Paid***

Two invoices totaling \$111,250.00 were paid during this period.

#### ***FY 2011-12 Work Program Contracts***

8 contracts from this work program year are open, and 30 are in “Open/Complete” status. 6 contracts closed during this period: City of Coachella, Contract #MS12077 – Install New CNG Station; Airport Mobil, Contract #MS12084 – Install New CNG Station; Community Action

Partnership of Orange County, Contract #MS12029 – Purchase One Medium-Heavy-Duty Vehicle; Final Assembly, Inc., Contract #MS12031 – Purchase 2 Medium-Heavy-Duty Vehicles; Jim & Doug Carter’s Automotive/VSP, Contract #MS12036 – Purchase 2 Medium-Heavy-Duty Vehicles; and City of Manhattan Beach, Contract #ML12055 – Purchase One Medium-Duty Vehicle.

*FY 2011-12 Invoices Paid*

No invoices were paid during this period.

***FYs 2012-14 Work Program Contracts***

28 contracts from this work program year are open, and 25 are in “Open/Complete” status. One replacement contract is also pending execution. One contract closed during this period: City of Manhattan Beach, Contract #ML14071 – Install Electric Vehicle Charging Infrastructure. One contract passed into “Open/Complete” status during this period: Fullerton Joint Union High School District, Contract #MS14075 – Expand Existing CNG Station.

*FYs 2012-14 Invoices Paid*

3 invoices totaling \$662,516.17 were paid during this period.

***FYs 2014-16 Work Program Contracts***

63 contracts from this work program year are open, and 19 are in “Open/Complete” status. One replacement contract is also pending execution. 2 contracts closed during this period: City of Pomona, Contract #ML16020 – Install Road Surface Bicycle Detection Systems; and County of Orange, Contract #ML16064 – Implement “Open Streets” events with various local governments. One contract passed into “Open/Complete” status during this period: Arrow Services, Inc., Contract #MS16013 – Install Limited-Access CNG Station.

*FYs 2014-16 Invoices Paid*

5 invoices totaling \$2,267,852.10 were paid during this period.

***FYs 2016-18 Work Program Contracts***

58 contracts from this work program year are open.

*FYs 2016-18 Invoices Paid*

6 invoices totaling \$592,532.47 were paid during this period.

***Administrative Scope Changes***

10 administrative scope changes were initiated during the period of September 27, 2018 to January 3, 2019:

- City of Corona, Contract #ML14019 (Install EV Charging Stations, Bicycle Racks, and Bicycle Lockers) – Reduce contract value by \$66,456 due to lower than anticipated costs
- City of Yucaipa, Contract #ML16057 (Implement Complete Streets Project along County Line Road) – 12-month no-cost term extension
- County of Los Angeles, Contract #ML14060 (Install EV Charging Stations) – 48-month no cost term extension which includes 12 months for installation and 36 month operational period originally omitted in error
- City of Laguna Hills, Contract #ML18099 (pending) (Install Electric Vehicle Charging Stations) – Reduce stations from six to four, with a corresponding value decrease from \$50,000 to

\$32,250

- County of Los Angeles, Department of Public Works, Contract #ML14093 (San Gabriel BikeTrail Underpass Improvements) – Seven-month no-cost term extension
- City of Westlake Village, Contract #ML18035 (Install Electric Vehicle Charging Stations) – Increase stations from six to twenty-two
- City of San Fernando, Contract #ML16075 (Install Class I Bikeway) – One-year no-cost term extension
- Orange County Transportation Authority, Contract #MS18005 (Implement Special Bus Service to Orange County Fair) – Remove “per year” reimbursement limit from cost schedule
- City of Grand Terrace, Contract #ML18030 (Install Electric Vehicle Charging Stations) – Increase number and upgrade type of stations, at no additional cost to MSRC, and extend contract term three years (one year for installations and two years additional operation requirement)
- City of Westminster, Contract #ML18037 (Procure Three Light- and One Medium-Duty ZEVs and Install EV Charging Stations) – Modify scope to install three Level II stations and one Level III station, instead of four Level II stations, and extend contract term 30 months (six months for installation and two years additional operation requirement)

AGENDA ITEM #6

Contract Modification Request by  
Waste Resource, Inc.

MSRC Agenda Item No. 6

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein

**SUBJECT:** Seven-Month Term Extension by Waste Resources, Inc., Contract #MS14079

**SYNOPSIS:** Waste Resources requests a seven-month term extension as part of the FYs 12-14 Alternative Fuel Infrastructure Program due to a longer than anticipated time to secure contractors.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC considered the request and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** Waste Resources, Inc.

**Project Title:** Install Limited Access CNG Station

**MSRC Funding:** \$100,000

**Project Term:** September 14, 2016 to August 13, 2023

**Current Request:** Seven-month term extension

**Previous Requests:** One-year term extension

Project Description: The MSRC awarded Waste Resources \$100,000 to install a limited access CNG station. No work has been completed and nothing has been paid to date on this contract.

Previous Request: Waste Resources indicated that they had decided to install the station equipment in two phases. However, all specified equipment would still be installed. They requested approval of a one-year term extension to complete the second phase. This modification was processed administratively.

Contract Request: Waste Resources states that it took longer than anticipated to secure contractors to complete the project. However, they have now done so and expect that the station will be operational in January 2019. In order to fulfill the MSRC's five-year operational requirement, Waste Resources requests a seven-month term extension (their letter actually asks for an extension to February 2023, but that is earlier than the current termination date of August 2023. MSRC staff have confirmed with Waste Resources that the letter should ask for an extension to February 2024).

Recommendations: The MSRC-TAC considered the request and recommends approval.

## Waste Resources

Today's Waste. Tomorrow's Resource.

October 26, 2018

Matthew Mackenzie  
MSRC/AB2766  
South Coast Air Quality Management District  
21865 Copley Drive  
Diamond Bar, CA 91765

Subject: **Change to Timeline of Project, Contract MS14079**

Dear Mr. Mackenzie:

This letter is to inform you of continued delays in installation of the project outlined in Contract Number MS14079 for Waste Resources' (WR's) CNG fueling station. The scope and project cost remain materially the same as originally prepared.

We have finally been able to secure contractors to complete the project based on the plans approved by the City of Los Angeles in September and October 2017. Kindness General Contractors will be completing the civil portion of the project and CNG Transition will be installing the equipment and commissioning the station. At this time, it is anticipated that the CNG fueling station will be operational by January 2019. Due to increased need for fueling services, the station will run at full capacity at start-up.

At this time, we are requesting a schedule extension of six months in order to give us sufficient time to implement the installation phase of the project. The original executed date of the contract is September 14, 2016, which puts the contract termination date around August 13, 2022. The CNG station should be operational for 43 months by that time. In order for the station to be operational for five full years, we also request a contract term extension of seven months, until February 13, 2023.

We will still be able to dispense at least 179,712 diesel gallon equivalents by the third year of the installed project, per the contract. We appreciate the SCAQMD's grant of \$100,000 and look forward to completing this project.

Sincerely,

Tommy Gendal  
Chief Operating Officer

cc: Ms. Cynthia Ravenstein, MSRC

AGENDA ITEM #7

Contract Modification Request by  
Rialto Unified School District

MSRC Agenda Item No. 7

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein, MSRC Contracts Administrator

**SUBJECT:** Approximately Sixteen-Month Term Extension by Rialto Unified School District (RUSD), Contract #MS14076

**SYNOPSIS:** RUSD requests an extension to June 25, 2023, as part of the FYs 2012-14 Alternative Fuel Infrastructure Program, due to the need to expand electrical infrastructure at their site.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC reviewed the request and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** Rialto Unified School District

**Project Title:** Install Public Access CNG Station

**MSRC Funding:** \$225,000

**Project Term:** June 17, 2015 to February 16, 2022

**Current Request:** Sixteen-month term extension

**Previous Requests:** None

Project Description: The MSRC awarded RUSD \$225,000 to install a publicly accessible CNG station. All work has been completed and \$213,750 has been paid to date under this contract.

Contract Request: RUSD indicates that they were offered the opportunity to participate in a Department of Energy electric bus vehicle to grid demonstration. To meet the increased electrical needs, RUSD needed to enhance their electrical infrastructure, and the CNG station project was delayed while this was done. RUSD then proceeded to complete the work under Contract #MS14076. In order to fulfill the MSRC's operational requirements, RUSD has requested that the contract's term be extended to June 25, 2023—approximately a sixteen-month extension.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

RE: Contract No. MS14076 – Request for Contract Term Extension

Dear Ms. Ravenstein:

The Rialto Unified School District is hereby requesting a *no-cost term extension with an end date of June 25, 2023* for the overall contract term of the opening date and five (5) year term of service for the Public CNG fueling station.

Rialto Unified School District began construction on March 14, 2016, and shortly after construction began, the District was offered the opportunity to participate in an Electric Bus Vehicle to Grid demonstration program funded by the United States Department of Energy. This required the District to delay our CNG project to add additional infrastructure to the site to handle the increased electrical needs. These changes delayed our CNG fuel station by over a year. We have since increased our bus parking for electric buses and have received and accepted grant funding from the AQMD for an additional two (2) electric powered school buses.

Our public access CNG station is now open to the public, and the Grand Opening occurred on June 25, 2018.

Should you need any further clarification, please contact Dora Parham, Transportation/Garage Manager at (909) 820-7862 or [dparham@rialto.k12.ca.us](mailto:dparham@rialto.k12.ca.us).

Sincerely,

Mohammad Z. Islam  
Associate Superintendent

AGENDA ITEM #8

Contract Modification Request by  
City of Pomona

MSRC Agenda Item No. 8

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein

**SUBJECT:** Eighteen-month Term Extension by City of Pomona, Contract #ML16008

**SYNOPSIS:** The City of Pomona requests an eighteen-month term extension as part of the FYs 14-16 Local Government Match Program due to a longer than anticipated time for vehicles to receive California Air Resources Board (ARB) certifications.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC reviewed the request and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** City of Pomona

**Project Title:** Purchase Three Medium-duty and One Heavy-duty CNG Vehicles

**MSRC Funding:** \$60,000

**Project Term:** September 20, 2016 to November 19, 2023

**Current Request:** Eighteen-month term extension

**Previous Requests:** Reduced scope and value and one-year term extension

Project Description: The MSRC originally awarded the City \$310,000 to purchase four medium-duty and nine heavy-duty CNG vehicles. The scope was subsequently reduced to the purchase of three medium-duty and one heavy-duty vehicles, and the value reduced to \$60,000. Three of the vehicles have been purchased; nothing has been paid to date on this contract.

Previous Request: The City indicated that the need for vehicles to have the flexibility to use regular gasoline during emergency services had reduced their need for dedicated CNG vehicles. The City requested to reduce their obligations under the contract to the purchase of three medium-duty and one heavy-duty vehicles, with a corresponding contract value reduction from \$310,000 to \$60,000. The City also requested approval of a one-year term extension due to extended lead times for vehicles. This modification was processed administratively.

Contract Request: The City states that due to the delay in ARB certification for the first three vehicles, they delayed procurement of the remaining vehicle. The City submitted a request for

a one-year term extension to allow time to obtain the final vehicle and fulfill the MSRC's operational requirements. In subsequent conversation with MSRC staff, the City modified their request to eighteen months.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

**RECEIVED**

NOV 27 2018

THE CITY OF  
**POMONA**

Public Works Department

**MSRC**  
November 14, 2018

MSRC  
21865 Copley Drive  
Diamond Bar, CA 91765  
Attn: Mr. Matt Mackenzie, Contracts Administrator  
Re: Local Government Match Program 2015 Grant Agreement No. ML16008

On September 4, 2015, the South Coast Air Quality Management District (SCAQMD) and Mobile Source Air Pollution Reduction Review Committee (MSRC) awarded the City of Pomona grant agreement No. ML16008 for the Local Match Program in the amount of \$310,000. The grant was accepted by the City on September 12, 2016, to receive available funding on qualifying grant match vehicle purchases.

On February 7, 2018, the MSRC approved a modification to the agreement to reduce the number of vehicles being purchased from thirteen (13) Carbon Natural Gas (CNG) vehicles to (4) four CNG vehicles. This was due to a variety of factors, including the lead times for CNG vehicles, and the need for vehicles to have the flexibility to use regular gasoline during emergency services, which played a factor in the procurement of the CNG vehicles.

To date, the City has purchased three of the four CNG vehicles: two (2) medium-duty vehicles and one (1) heavy-duty vehicle. Currently, the City is in the process of procuring a fourth vehicle, a medium-duty vehicle.

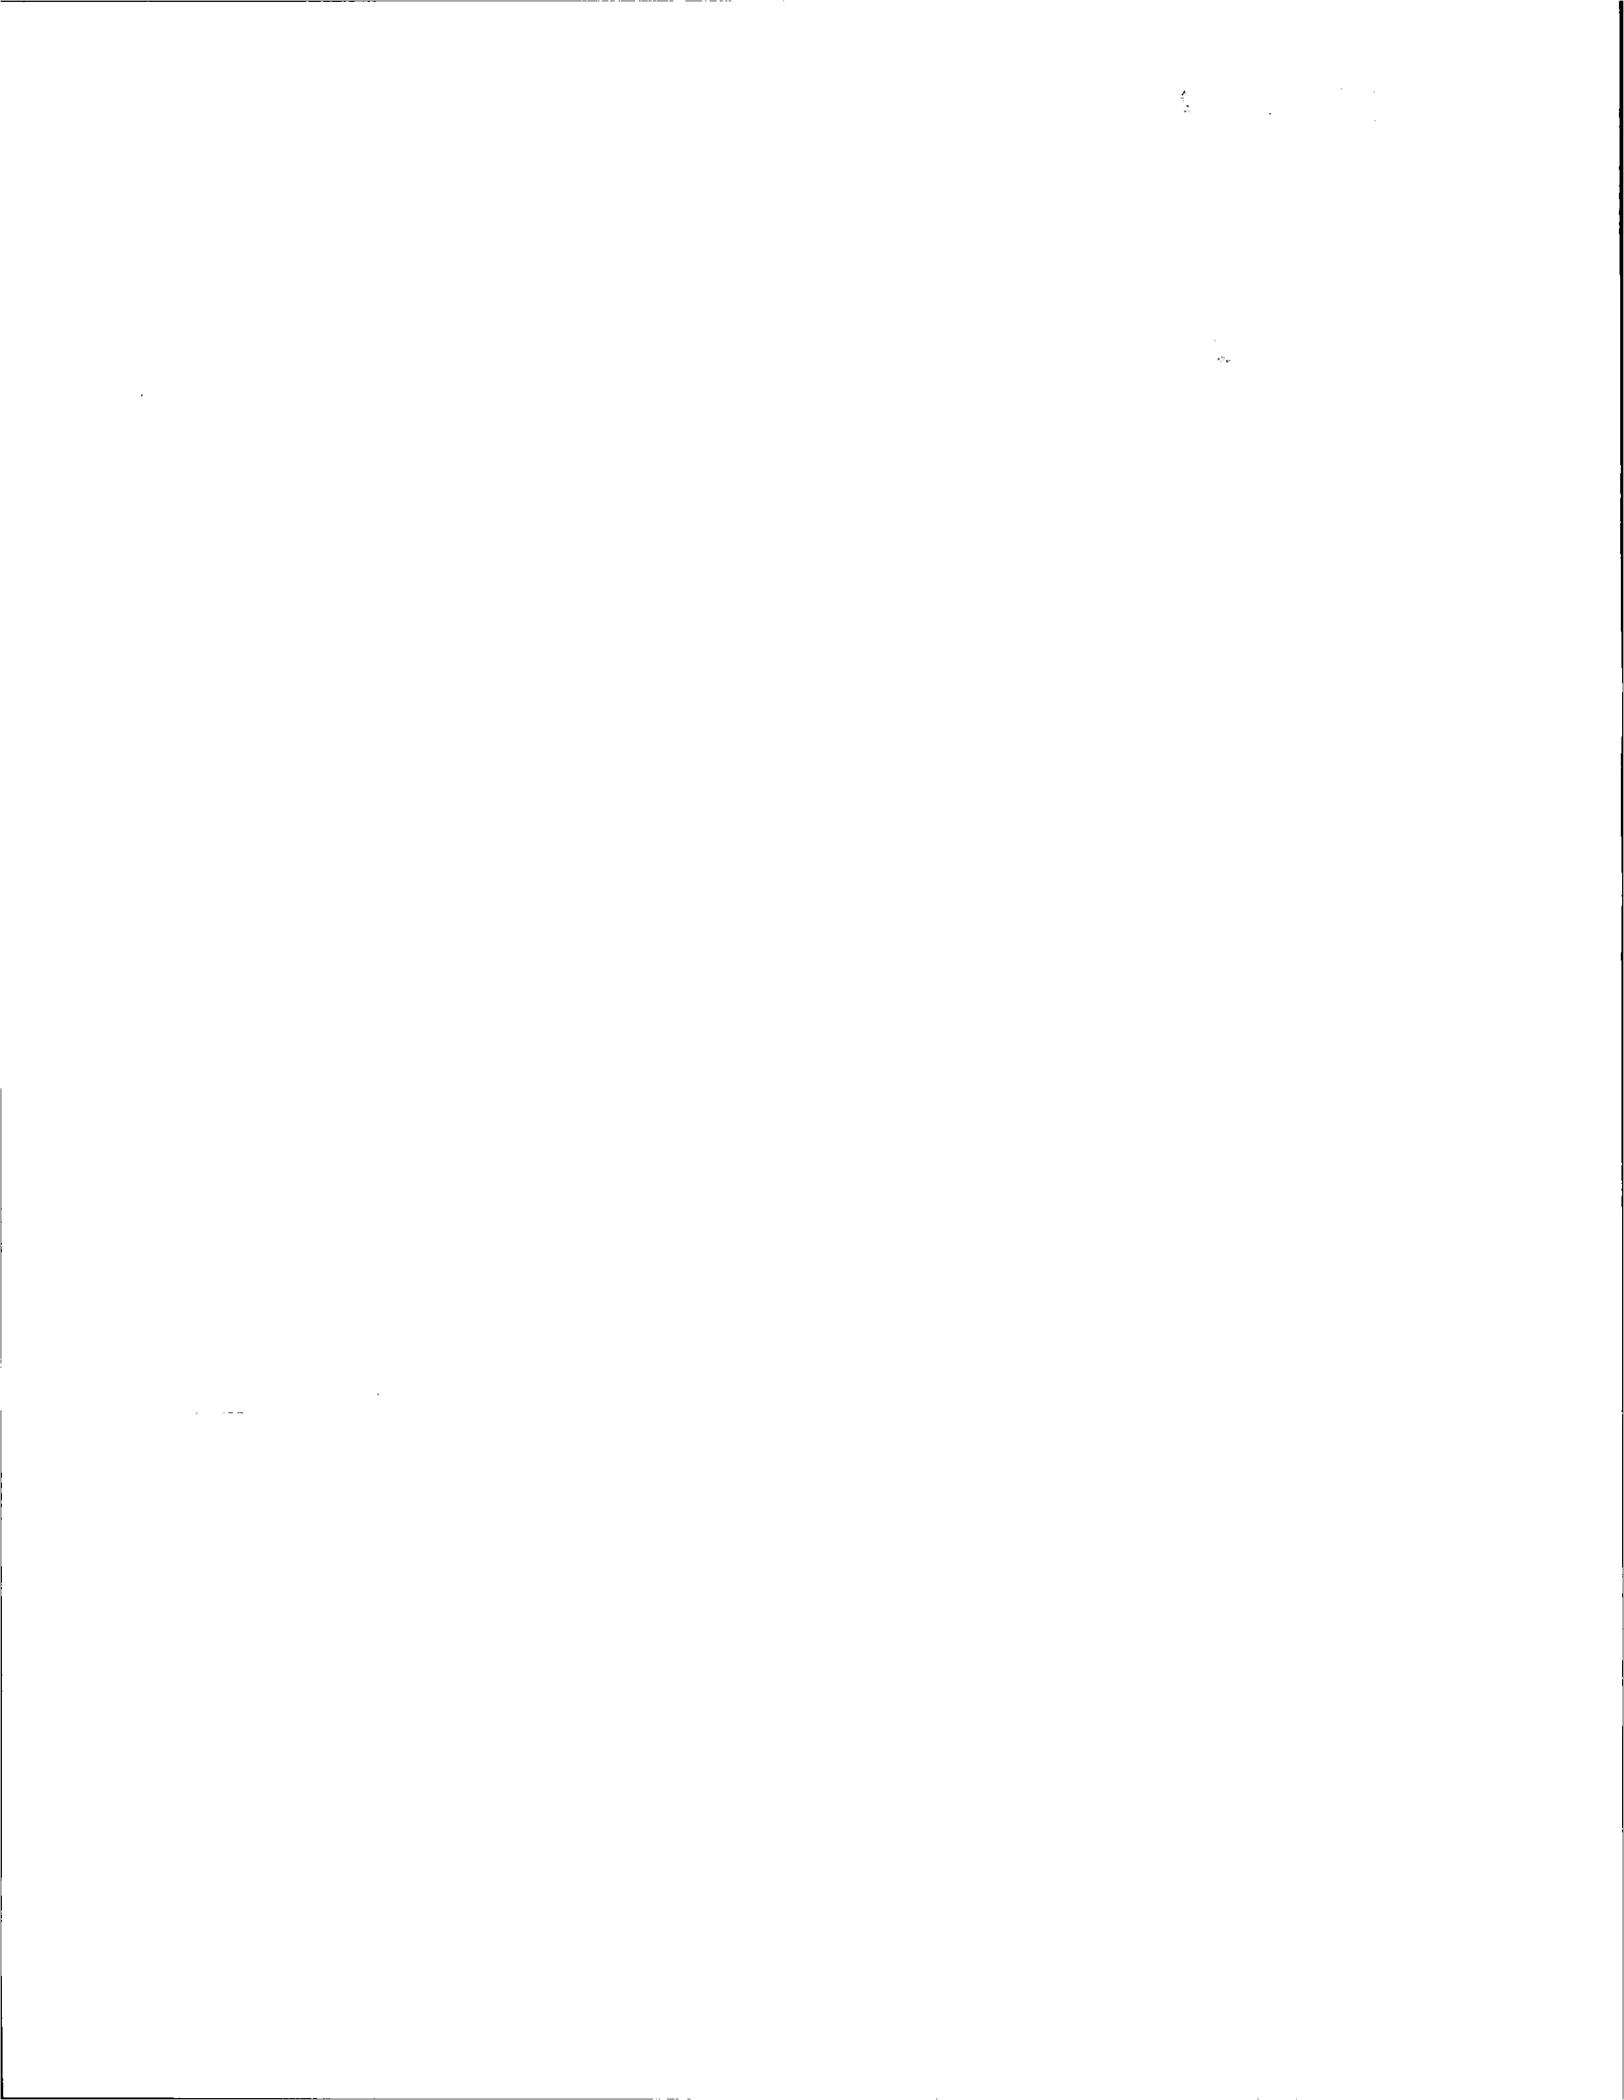

The City is requesting amending the grant term for one additional year to allow the completion of the purchase.

If there are any questions or concerns, please do not hesitate to contact Dennice Raygoza, Sr. Management Analyst at (909) 620-2288.

Sincerely,

AGENDA ITEM #9

Contract Modification Request by  
City of Monterey Park

MSRC Agenda Item No. 9

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein

**SUBJECT:** One-Year Term Extension by City of Monterey Park, Contract #ML16013

**SYNOPSIS:** The City of Monterey Park requests a one-year term extension as part of the FYs 14-16 Local Government Match Program due to a longer than anticipated time for vehicles to receive California Air Resources Board (ARB) certifications.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC reviewed the request and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** **City of Monterey Park**

**Project Title:** Purchase 3 Heavy-duty CNG Vehicles

**MSRC Funding:** \$90,000

**Project Term:** December 4, 2015 to July 3, 2023

**Current Request:** One-year term extension

**Previous Requests:** One-year term extension

**Project Description:** The MSRC awarded the City \$90,000 to purchase three heavy-duty CNG vehicles. No work has been completed and nothing has been paid to date on this contract.

**Previous Request:** The City indicated that the pending ARB certification for the bus engines had delayed delivery. They requested approval of a one-year term extension. This modification was processed administratively.

**Contract Request:** The City states that the delay in ARB certification has delayed delivery of the buses even longer than anticipated. Delivery is now anticipated in January 2019, with the vehicles entering service in April. In order to fulfill the MSRC's five-year operational requirement, the City requests a one-year term extension.

**Recommendations:** The MSRC-TAC reviewed the request and recommends approval.

## **RE: CONTRACT TERM EXTENSION (CONTRACT #ML16013)**

Dear Mr. Mackenzie:

The purpose of this letter is to request extension of contract term for the City of Monterey Park's funding for the purchase of three heavy-duty Natural Gas Vehicle under the contract number ML16013.

The City is requesting to extend the contract term by one year to **July 2019**. The additional time is necessary as the three 2018 ARBOC CNG buses that the City purchased under this grant will not be delivered by the manufacturer until January 2019 due to the State-wide delay in CARB certification approval process. The new project timeline will be as follows:

<b>Task</b>	<b>Completion</b>
Order vehicles	Month 15 (April 2017)
Submit Public Outreach Plan	Month 36 (January 2019)
Enter vehicles into service	Month 39 (April 2019)
Implement Public Outreach Plan	Month 41 (June 2019)
Quarterly reports	Every three months
Final Report	Month 42 (July 2019)

Please do not hesitate to contact me at (626) 307-1383 should you have any questions. I can also be reached via email at [btam@montereypark.ca.gov](mailto:btam@montereypark.ca.gov).

Sincerely,

Bonnie Tam

AGENDA ITEM #10

Contract Modification Request by  
City of Los Angeles DWP

MSRC Agenda Item No. 10

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein

**SUBJECT:** Eighteen-Month Term Extension by Los Angeles Department of Water and Power (LADWP), Contract #ML16022

**SYNOPSIS:** LADWP requests an eighteen-month term extension as part of the FYs 14-16 Local Government Match Program due to delays associated with vendor protests.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC reviewed the request and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** Los Angeles Department of Water and Power

**Project Title:** Purchase 12 Heavy-duty CNG Vehicles

**MSRC Funding:** \$360,000

**Project Term:** May 5, 2017 to March 24, 2024

**Current Request:** Eighteen-month term extension

**Previous Requests:** None

Project Description: The MSRC awarded LADWP \$360,000 to purchase 12 heavy-duty CNG vehicles. No work has been completed and nothing has been paid to date on this contract.

Contract Request: LADWP's attempts to procure the subject vehicles have been delayed multiple times due to vendor protests. LADWP has written a new specification and anticipates the contract will be awarded in the next couple of months. Once awarded, the selected vendor will have one year to deliver all 12 units. In order to fulfill the MSRC's five-year operational requirement, LADWP requests an eighteen month extension.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

South Coast Air Quality Management District  
21865 Copley Drive  
Diamond Bar, CA 91765

Dear Ms. Ravenstein:

Subject: Mobile Source Review Committee Contract Number ML16022  
Request for 18-Month Extension

The Los Angeles Department of Water and Power (LADWP) is submitting a request for an 18-month extension for contract number ML16022 from March, 2019 to September, 2020 to procure 12 heavy-duty Compressed Natural Gas (CNG) on-road vehicles. This contract has been delayed multiple times due to vendor protests. The specifications were combined with diesel units that were granted Rule 1196 Technical Infeasibility Certificates (TIC).

Due to the protests, the LADWP was not able to get a contract in place by the TIC expiration date. A new specification for the 12 CNG vehicles had to be written excluding the diesel units. LADWP anticipates that the contract will be awarded in the next couple months. Once awarded, the vendor will have one year to deliver all 12 units. The LADWP will continue to submit quarterly progress reports and follow the project schedule.

If you have any questions, please contact, Mr. Joe Maxey, at (213) 367-0046 or via email at [Joseph.Maxey@ladwp.com](mailto:Joseph.Maxey@ladwp.com).

Sincerely,

A handwritten signature in black ink that reads 'Jodean Giese'.

Jodean Giese  
Manager of Air Quality

JM:gn  
c: Mr. Joe Maxey

AGENDA ITEM #11

Consider Replacement Contract Request by  
City of Palm Springs

MSRC Agenda Item No. 11

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein, MSRC Contracts Administrator

**SUBJECT:** Authorize Issuance of New Contract to Complete Work Initiated by City of Palm Springs under Contract #ML16005

**SYNOPSIS:** The MSRC awarded the City \$40,000 to install bike racks and implement bicycle outreach. The City completed a Bicycle Friendly Business District Plan and was working with downtown merchants on implementation. Due to changes requested by the merchants and the death of the City's consultant, the work was not able to be completed within the original time frame. The City has now requested to complete the project. Staff recommends that, should the MSRC wish to grant the City's request, a new contract be executed to complete the project.

**FINANCIAL IMPACT:** \$40,000 towards the bike racks and outreach is committed under #ML16005, and will become available to fund a replacement contract if so authorized by the MSRC.

**RECOMMENDATIONS:** The MSRC-TAC reviewed the request and recommends approval.

---

**DISCUSSION:** The MSRC awarded the City \$40,000 to install at least 20 bike racks and implement a bicycle outreach and education program. The City completed a Bicycle Friendly Business District Plan and was working with downtown merchants on implementation.

In an extension request submitted in August 2017, the City indicated that the downtown merchants would prefer a different mix of bike rack types, which had delayed the project. However, the letter did not specify the length of extension being requested. MSRC staff followed up with the City in an attempt to learn the necessary specifics, but the contract lapsed on October 3, 2017. After extensive follow-up, it was learned that the City's consultant who was working on the project had died. On October 29, 2018, the City submitted a request to complete the project.

SCAQMD recommends that a new contract be executed to complete the project, should the MSRC wish to grant the City's request.

Nothing has been paid to date on the previous contract, so the new contract value would be \$40,000.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

RE: MSRC Contract #ML16005 Extension Requests

Dear Ms. Ravenstein:

This letter is to request a replacement contract for #ML16005 dated August 15, 2017, to allow the City flexibility in finalizing communication plans, public relations and educational outreach related to the grant. We are requesting the replacement contract be in effect for twelve (12) months.

As you know, City staff hired outside consultants who completed the Bicycle Friendly Business District plan and was working with the downtown merchants on implementation. Implementation had been progressing rapidly and the bike parking was well-received with by the downtown merchants, local residents and visitors.

Unfortunately, due to unforeseen and tragic circumstances, our outside consultant was unable to complete this work. Without staff or contractors to facilitate the implementation of these programs the City was unable to continue the progress that had been made. The City anticipates hiring a new Sustainability Manager within the next 60 days. We are currently conducting interviews for this position. Once the new Sustainability Manager is hired, we will immediately resume implementation of the public relations, communications, and educational outreach related to the grant.

Should you have any questions, please contact me at 760-323-8228 or via email at [jay.virata@palmspringsca.gov](mailto:jay.virata@palmspringsca.gov).

Thank you for your consideration of this request.

Sincerely,

Jay Virata, Director  
Community & Economic Development

**AGENDA ITEM #12**

**Consider Replacement Contract Request for  
San Bernardino County Transportation Authority**

MSRC Agenda Item No. 12

**DATE:** January 17, 2019

**FROM:** Cynthia Ravenstein

**SUBJECT:** Authorize Issuance of New Contract to Complete Work Initiated by San Bernardino County Transportation Authority (SBCTA) under Contract #MS16091

**SYNOPSIS:** The MSRC awarded SBCTA (formerly San Bernardino Associated Governments) \$1,000,000 to update the San Bernardino Valley Coordinated Traffic Signal System. The MSRC authorized an extension, as well as a contractor name change, but the contract lapsed on November 6, 2018 prior to modification documents being mailed out for signature. Staff recommends that a new contract be executed to complete the project.

**FINANCIAL IMPACT:** Nothing has been paid to date under #MS16091. \$1,000,000 remains committed towards the signal synchronization update under the contract, and will become available to fund a replacement contract if so authorized by the MSRC.

**RECOMMENDATIONS:** The MSRC-TAC reviewed the item and recommends approval

---

**DISCUSSION:** The MSRC originally awarded SBCTA \$1,000,000 to update the San Bernardino Valley Coordinated Traffic Signal System. Nothing has been paid to date on this contract.

On September 21, 2018, SBCTA requested a 14-month term extension due to longer than expected time necessary for data collection, corridor re-timing efforts and coordination with sixteen local jurisdictions. Additionally, in December 2016 San Bernardino Associated Governments informed the MSRC of the creation of the SBCTA. While the existing agreement remained valid, it was deemed appropriate to change the contractor name as part of the modification. At their October 23, 2018 meeting, the MSRC approved SBCTA's request. However, the contract lapsed on November 6, 2018 prior to modification documents being mailed out for signature.

SCAQMD has expressed concerns regarding executing extensions of lapsed contracts, so the modification could not be executed. Staff recommends that a new \$1,000,000 contract be executed to complete the project.

Recommendations: The MSRC-TAC reviewed the item and recommends approval.

AGENDA ITEM #15

2019-2020 Clean Fuels/Clean Technologies  
Conference Calendar

## Clean Fuels and Clean Technologies Conference Calendar for 2019-2020

### January 2019
